ST. LOUIS POST-DISPATCH

REG. U. S. PAT. OFF.

FINAL

Vol. 81. No. 135. (81st Year) ST. LOUIS, SATURDAY, MAY 16, 1959—20 PAGES PRICE 5 CENTS

FIVE IN FAMILY PERISH IN FIRE IN THEIR HOME IN NORTH COUNTY

They Moved Into Riverview Gardens House Three Weeks Ago—Cause of Blaze Not Known.

Robert Bennett, his wife and three children were killed early today in a fire that swept through their five-room frame home at 447 Scenic drive, Riverview Gardens.

Firemen said the blaze started in the living room from an undetermined cause. Coroner Raymond I. Harris of St. Louis county attributed the deaths to carbon monoxide poisoning caused by lack of oxygen.

A neighbor, George Kieffler, 459 Scenic, saw flames on the roof about 3 o'clock this morning when he was returning home from his job at Wagner Electric Co.

Kieffler told his wife to call the fire department and then tried unsuccessfully to get a response from the Bennetts. When Riverview Gardens firemen arrived, they found most of the home in flames. The blaze had melted aluminum awnings.

Tried to Save Children.

The parents apparently had tried to rescue the children, authorities said. The bodies of Bennett and his wife were found in a room in which a son, Robert Jr., 2 years old, had been sleeping.

The boy's body was on the bed. Mrs. Bennett was lying across the bed, clasping the body of a daughter, Shirley, 11 months. The baby's crib was in the doorway of another room, indicating the parents had picked up the child after trying to remove the crib.

In the room in which Shirley had been sleeping was found the body of another child, Diane, 9 years old, daughter of Bennett by a previous marriage.

Coroner Harris said that except for slight burns on the bodies of Mr. and Mrs. Bennett, the flames had not touched members of the family. However, the fire had completely burned out the front section of the house.

Bought Home Recently.

Fire Chief Joseph Gottwald of Riverview Gardens estimated damage at $3500 to the building and contents. His department, which sent three pieces of equipment to the fire, had the blaze under control in about 20 minutes, he said.

The Bennetts had recently purchased the home and moved into it only three weeks ago from 3117A Norwood avenue.

Bennett, a switchman for the Missouri-Kansas-Texas (Katy) Railroad, was 29 years old. His wife, Lawanda, was 28.

CULTURAL PACT EXTENSION WITH RUSSIA SOUGHT

U.S. Asks Moscow to Begin Talks Soon—Menshikov Indicates He Favors Idea.

© New York Times News Service

WASHINGTON, May 16 — The United States has asked Moscow to hold talks soon aimed at extending the cultural exchange agreement between the two countries.

While diplomats argued critical political issues in Geneva —and made little progress— there was every indication that agreement would be forthcoming in the cultural and technical agreements. The present two-year arrangement for exchanging artists, educators, technicians and others expires next Jan. 27.

Soviet ambassador Mikhail Menshikov was summoned to the State Department yesterday to receive the United States proposal. It called for meetings to arrange extension of the present agreement to be held in Washington in late June or early July.

Favors Continuance.

As he left the department after receiving the message from Ambassador William S. B. Lacy, the Soviet diplomat was smiling. He told reporters Moscow would favor continuing the exchanges "probably for another couple of years."

The Russians had proposed informally that the discussions of the new agreement take place in Moscow. The United States note said that was "entirely reasonable" but asked that Washington be the site of the negotiations.

Under the exchange agreement, the Soviet and United States government have exchanged about 170 delegations averaging 10 persons each. They have included large groups like the Soviet Bolshoi ballet troupe now visiting here and some individual performers. Most of the exchanges have been in technical, scientific and educational fields.

Colleges Exchanges.

American students are now studying at Moscow and Leningrad universities and Russians are attending some American colleges. Next year the two countries will exchange professors, American teachers from Columbia and Harvard and professors from Moscow and Leningrad will teach at each other's institutions.

American officials hope to send at least one musical comedy, probably "My Fair Lady," to the Soviet Union next year. The Russians are expected to send to the United States one of its top symphony orchestras and other groups.

28 TYPEWRITERS STOLEN, BUT THEY ARE UNLETTERED

Thieves who lugged 28 typewriters, valued at $5040, from the Clark Junior High School, 3310 State street, East St. Louis, early yesterday, are in for a disappointment.

Principal Morton Benham reported the theft and said about $300 damage was done to doors, which the thieves forced to get into offices and classrooms.

The typewriters were taken from the typing classroom. The keys have no letters on them.

EISENHOWER GETS GOLF BALLS ALONG WITH BUDGET PLEA

WASHINGTON, May 16 (AP) —President Eisenhower received a batch of petitions yesterday supporting his campaign for a balanced budget. Along with them, he got two dozen long-distance golf balls.

Both the petitions and golf balls were presented by five Republican Congressmen and three Pennsylvanians, representing an organization called "Alerted Americans."

The petitions, the White House estimated, carried more than 50,000 signatures. They urged that there be no tax increase and that any inflationary spending be halted.

Representative Walt Horan (Rep.), Washington, told Mr. Eisenhower that the delegation had "a special gift for you—a golf ball that will travel 100 yards farther." Golfer Eisenhower has been having trouble with his drives lately. Some of them have been pretty short.

One Way Out of Russia.

MOSCOW, May 16 (AP)—A total of 2344 persons volunteered to be shot out of the Soviet Union on a rocket to outer space, Pravda reports. The Communist party newspaper said many letters have been received addressed to "Moscow Sputnik" begging to be the first Russian astronaut. Some volunteers are women, Pravda added.

FOUR CHILDREN ARE LOST IN FIRE

NEELYVILLE, Mo., May 16 (AP)—Four children died in a fire which destroyed their two-story farm home near Neelyville last night.

They were the children of Mr. and Mrs. Charles L. Wray. The family moved to this area recently from Tucson, Ariz., where Wray worked for a railroad.

The victims were Michael, 9 years old, Charles, 7, Margie, 11, and Joyce, 4.

Their parents and another daughter, two-year-old Toni, escaped from the burning frame building. Mrs. Wray was burned on the hands and face while rescuing Toni.

Warmer

Official forecast for St. Louis and vicinity: Partly cloudy and warmer tonight; low temperature tomorrow morning 50 to 55; tomorrow increasing cloudiness and warmer; high in middle 70s.

Tonsorial Price War in Texas: Haircut and a Shine, 15 Cents

IRVING, Tex., May 16 (AP) —Bargain-minded fathers and their bushy-haired sons lined up eagerly yesterday to get 15-cent trims with free shoeshines and snow cones during the price war of feuding barbers.

Participants are Ed Cox, a real estate man who owns the Irving Boulevard Barber Shop, and his two former employes —A. T. Harrell and Jay Simmons, who now operate their own shop 150 feet down the street.

Cox opened his shop eight months ago but says he did not make enough money from a 70-30 split arrangement with Harrell and Simmons to cover his investment.

"I wanted out of the barber business," Cox said. "I gave Harrell first chance to buy the place."

Harrell said the asking price was too high so he and Simmons decided to set up their own shop.

"I couldn't afford to go somewhere else and build up another trade," Harrell said. "And I would have been foolish to do all the work and let Cox get all the money."

"Posh," said Cox. "I've got $5000 invested in this place. It's a matter of running Harrell off or losing that money."

Cox first cut the price of a haircut from a dollar to 75 cents. Yesterday he was down to 15 cents but having trouble keeping his promise of a free shoe shine.

"We've run through three shoe shine boys already," said A. H. Harville, who works in the shop. "Too much work for them."

"I'm ready to spend $25,000 to end this fight," Cox said. "This is a battle for survival," retorted Harrell, who is charging 25 cents for a haircut. "I'm ready to go to work somewhere else if necessary to make enough money to keep this place going."

PRESIDENT FLIES TO COLORADO TO SEE AIR ACADEMY

Will Visit Mother-in-Law in Denver After Tour of Service School.

COLORADO SPRINGS, Colo., May 16 (UPI) — President Eisenhower landed at Peterson field here at 11:07 a.m. M.S.T. today to begin a weekend Colorado visit.

He will visit the Air Force Academy in Colorado Springs and then visit with his mother-in-law in Denver.

He took off from Washington in the presidential plane Columbine III at 7:59 a.m. (eastern daylight time), making the trip in six hours and eight minutes.

The first senior class of the newest service academy will be graduated next month. The President had hoped to be present for the exercises, but the pressure of business at home changed his schedule. Thus, his academy visit today was in lieu of a graduation speech. Mr. Eisenhower will spend about two hours at the academy and then make a 15-minute flight to Lowry Air Force base at Denver. He will visit the home of his mother-in-law, Mrs. John S. Doud, and spend tonight at the Brown Palace hotel in Denver.

Returning Tomorrow.

Tomorrow he planned to take off from Lowry Field before noon and arrive back in Washington about 7 p.m.

The President's wife went to Denver earlier in the week to be with her ailing mother on Mrs. Doud's Eighty-first birthday anniversary, which was observed last Wednesday. Mrs. Eisenhower will return to Washington with the President.

With the chief executive on his flight to Colorado was the high command of the Air Force, including Secretary James H. Douglas and Gen. Thomas D. White, the chief of staff.

The President's son, Maj. John S. Eisenhower, who is a member of the White House staff, his wife and their four children, also were along.

Visit There Last Fall.

This will be the President's third visit to Denver since he suffered a heart attack there in September 1955. He made an airport speech in the Colorado capital during the 1956 campaign, and he took a weekend respite there last fall in the midst of a political tour.

As he did during that last visit, Mr. Eisenhower is expected to pass up golf — and one of his favorite courses— this weekend.

Denver is situated at mile-high altitude and since his heart attack the President's doctor, Maj. Howard M. Snyder, has been cautious about Mr. Eisenhower's golfing at such altitudes.

The President vacationed in Denver each summer from 1952 through 1955 and played a lot of golf at the Cherry Hills Country club.

DULLES WORSE, WITH PNEUMONIA 'NOT RESOLVED'; FAMILY AT SIDE

'Some Further Decline' Noted — Later Report Says Condition of Former Secretary Is Unchanged.

WASHINGTON, May 16 (AP) —John Foster Dulles, fighting cancer and pneumonia, is reported to be getting stadily weaker.

The State Department reported "some further decline" yesterday in the condition of the 71-year-old former Secretary of State. The pneumonia "has not completely resolved," it said.

Today his condition was reported unchanged at Walter Reed Army Hospital, where he has been a patient since Feb. 12.

Members of his family have gathered in Washington and the State Department has said medical bulletins will be issued only if required by any change.

Those n Family.

These members of his family were reported to have come here from their homes:

A son, John Dulles, an engineer in Mexico City; a daughter, Mrs. Robert Hinshaw, New York City; a sister, Mrs. Margaret Edwards, Rye, N.Y.

Living in Washington are these family members:

Dulles's wife, Janet; his brother, Allen, head of the Central Intelligence Agency; a sister, Eleanor, a State Department specialist on Germany, and a son, Avery, a Jesuit priest studying here.

Dulles contracted pneumonia a week ago after his many weeks of treatment for cancer that has spread through his body.

In 1956, an operation had removed a cancerous growth in the colon. In the course of a hernia operation in February of this year Army doctors discovered that the cancer had spread. They gave Dulles radiation treatments, both with a large X-ray machine and by injecting radioactive gold salts into his abdomen.

Back in Hospital.

In April Dulles left the hospital briefly for a stay in Florida. For a time it even appeared that his tremendous power of recuperation and his will to go on would prevail. Then on April 12 he returned to the hospital. The doctors reported the cancer had spread to his neck.

On April 15 President Eisenhower, with great reluctance, announced Dulles's resignation as Secretary of State. The President retained Dulles as a personal consultant.

Dulles reportedly forced Mr. Eisenhower's hand in the resignation, so that the way would be clear for Christian A. Herter to take over as Secretary and carry on the duties Dulles had borne for six years.

Last week Winston Churchill, Britain's wartime Prime Minister, went with Mr. Eisenhower to Walter Reed to visit Dulles. Dulles greeted them from a wheel chair.

State Department aids explained that Dulles still could get around without the wheel chair. But they said privately they did not know how many days this would last.

TWO NEW STATES SHIFT POPULATION CENTER IN ILLINOIS

WASHINGTON, May 15 (AP) —The Government today moved the nation's center of population 17 miles from its old location in Illinois to reflect the granting of statehood to Alaska and Hawaii.

The Census Bureau said the new center, based on figures collected in the 1950 census, is about three miles northeast of Louisville, Ill. The old center was eight miles north-northeast of Olney, Ill.

A new population center will be computed after the 1960 census.

The exact location of the new center is 38 degrees, 48 minutes, 15 seconds north latitude and 88 degrees, 22 minutes, 8 seconds west longitude.

This is 16¾ miles west and two and one-half miles south of the 1950 center for the 48 states.

U.S. ARMY IN W. BERLIN DISPLAYS 'POWER FOR PEACE'

BERLIN, May 16 (AP)—Fifty-thousand West Berliners today saw the United States Army garrison put on a "power for peace" parade marking Armed Forces day.

Although the demonstration obviously was linked to the East-West dispute over the future of this isolated city, the Soviet commandant of East Berlin, Maj. Gen. Nikolai F. Zakharov, and 11 of his officers accepted invitations to attend.

Speaking before the 4000-man American garrison massed at Tempelhof Airport. The United States Army commander-in-chief for Europe, Gen. C. D. Eddleman, declared the West would not fail to honor its commitments to defend West Berlin.

KHRUSHCHEV SAYS WEST'S PLAN HAS SOME POINTS THAT CAN BE DISCUSSED

West Reported Ready to Split Package Plan to End Deadlock

Big Three Persist in Hope Formula for Berlin Peace Will Be Found Despite Disagreement at Conference.

By JOHN M. HIGHTOWER

GENEVA, May 16 (AP)— The western powers today were reported willing to discuss Berlin apart from their package plan for Germany in an attempt to break the deadlock with the Russians.

The Big Four foreign ministers' conference recessed over the weekend with the Soviets still insisting on the signing of a peace treaty with the two German states above everything else. But hope persisted among western diplomats of finding a formula for agreement on the future of divided Berlin. The crisis caused by Russia's demand for western withdrawal from West Berlin is expected to move steadily to the fore as the second week of the conference develops.

Whether there is any basis for agreement, however, remains to be seen, for Russia has so far stood firm on its demand for demilitarization of West Berlin, and the western powers are standing pat on their refusal to abandon the Communist-encircled city.

Secretary of State Christian A. Herter was in Rome today on a one-day goodwill visit. French Foreign Minister Maurice Couve de Murville returned to Paris for consultations with president Charles de Gaulle. Soviet Foreign Minister Andrei A. Gromyko and British Foreign Secretary Selwyn Lloyd remained in Geneva.

Gromyko and his advisers— presumably in long-range consultation with the Kremlin — were reported preparing a point-by-point reply to the western package plan. Gromyko has already turned down the package as a whole, denouncing it as a tangle of unrelated issues which would make any progress here impossible.

Western officials say he may pull various points out of the parcel and seek to discuss them individually. Berlin is one such issue, even though Communist spokesmen have rebuffed the specific western proposal for merging West and Communist East Berlin into a single city under four-power guarantees.

Another possibility foreseen by Western experts is that Gromyko may try to extract further concessions from the Western powers regarding direct negotiations between East and West German representatives.

In their plan the Western ministers offered creation of an East-West German commit-

CHARGES ALLIES TRY TO PROVOKE CRITICISM WITH PACKAGE IDEA

They Could Then Blame Moscow for Parley's Failure, He Asserts — Speech Called Conciliatory.

MOSCOW, May 16 (UPI)— Soviet Premier Khrushchev said today Russia will not reject the western Geneva plan out of hand because it contains some points that can be discussed.

The actual plan, however, is not acceptable to the Soviet Union, Khrushchev said.

The Soviet leader said the western powers knew their "package" plan was not acceptable to Russia but submitted it because they wanted to provoke sharp Soviet criticism and then blame the Soviets for the failure of the Geneva foreign ministers' conference.

Khrushchev spoke at a ceremony during which he was awarded the Lenin peace prize today.

The Soviet Union will not be provoked into sharp criticism of the Western package plan, Khrushchev said, and will try to explain what it cannot agree to the proposal, which was submitted to the foreign ministers' conference by United States Secretary of State Christian A. Herter earlier this week.

Separate Consideration.

Khrushchev said the separate problems outlined in the Western plan must be considered separately and not as a package. He asserted the Soviet position that a German peace treaty must be discussed first and then the problem of West Berlin.

The Soviet Premier said the men who drafted the Western plan are intelligent and knew their plan would not be acceptable because they themselves do not really want German unification.

Unification is something the German people can decide for themselves, he said.

The speech was one of the most conciliatory ones Khrushchev has made on the East-West conflict, but he nevertheless said the Western Geneva plan made a sad impression on him.

He added the plan was inspired by advocates of the cold war and by a man who is not even in Geneva—West German Chancellor Adenauer.

Predicts Discontinuance.

On the subject of nuclear tests, Khrushchev said the Western powers will be compelled eventually to discontinue all tests. He said the Soviet Union wants the speediest possible agreement but cannot accept Western proposals for controls over Soviet territory, which he called tantamount to military espionage.

If the Western powers agreed to the liquidation of their bases surrounding the Soviet Union and to the removal of armed forces from foreign countries, Khrushchev said, the Soviet Union would agree to controls.

Khrushchev Says Berlin Accord Won't End Cold War.

LONDON, May 16 (AP)—Soviet Premier Khrushchev says even settlement of the Berlin crisis will not end the cold war.

The Moscow radio quoted Khrushchev today as saying the cold war will persist as long as some countries are reluctant to recognize that "a world system of states with a new socialist (Communist) order has come into being."

The broadcast said Khrushchev made his remarks in an interview granted May 7 to R. K. Karanjia, publisher and editor of the newspaper Blitz of India.

Khrushchev did not minimize the question of West Berlin, calling it "a blazing stack which can start a fire."

But the premier said the cold war did not begin with the Berlin crisis and "it will not therefore disappear with the normalization of Berlin, though, without question, a Berlin settlement would be important."

WHEAT CONTROL OBJECTOR HEADS FOR AUSTRALIA

CHICAGO, May 16 (AP)— Stanley Yankus and his family were Australia-bound today following the sale of his Dowagiac (Mich.) poultry farm because of a Government fine for growing too much wheat.

"The thing that hurts me most is that I spent 16 years working for a farm and now it's gone. I don't think I should have been fined for trying to make my own living." Yankus was fined $5070.

Mrs. Yankus was not eager to leave.

"It's hard to go," she said. "It's a long way."

The couple and their three children will board a ship in San Francisco Monday for Australia.

TEMPERATURES BELOW NORMAL IN 30-DAY FORECAST

WASHINGTON, May 16 (AP)—The Weather Bureau forecasts lower than seasonal temperatures for the eastern half of the nation and the central plains region in the mid-May to mid-June period. Higher than average temperatures were predicted for the northwest and California coast areas.

The forecast:

"The Weather Bureau's 30-day outlook for the period mid-May to mid-June calls for temperatures to average below seasonal normals over the eastern half of the nation and also in the central plains region. Greatest departures are indicated over the eastern Great Lakes and Ohio valley areas.

"Above normal averages are predicted for the northwest quarter of the country and along the coast of California. In unspecified areas near normal temperatures are in prospect.

"Precipitation is expected to exceed normal in a broad belt extending from the central and southern plains northeastward to the Great Lakes. Subnormal rainfall is predicted for the northern plains the far southwest and the east gulf states. Otherwise near normal amounts of rainfall are indicated."

STRAUSS TO GET HIS VOTE, SAYS SENATOR CHAVEZ

He Parts Company With Anderson, Who Led Fight Against Nominee.

WASHINGTON, May 16 (AP) —Senator Dennis Chavez said today he would vote to confirm the appointment of Lewis L. Strauss as Secretary of Commerce.

New Mexico's senior Senator thus parted company with his Democratic colleague, Senator Clinton B. Anderson, junior Senator from New Mexico.

Chavez, in answer to a reporter's question, said he felt Strauss was well qualified for Secretary of Commerce.

Anderson has told the Senate Commerce Committee that Strauss, while chairman of the Atomic Energy Commission, followed a pattern of deception and evasiveness.

Chavez declined specific comment on Anderson's 16-day campaign against Strauss. However, Chavez said: "I'm not questioning his motives or the sincerity of his opinion."

Strauss, Chavez said, "was not nominated to be on the Atomic Energy Commission. He was nominated for Secretary of Commerce.

"If his nomination is approved by the Senate committee and reaches the Senate floor, I'm going to vote for him."

Plane Crash in Argentina.

MAR DEL PLATA, Argentina, May 16 (AP)—An Argentina Airlines plane plunged into the sea off this beach resort last night with 10 persons aboard. Four bodies have been recovered. The DC-3 plane had taken off on a flight from Buenos Aires south to Bahia Blanca, carrying six passengers and four crew members.

Cat Gets Hep in the Espresso In New British Dictionary

LONDON, May 16 (AP)—The cat that bent her roll-on getting hep in the espresso has at last gained official recognition in Britain.

Cat, hep, roll-on (a two-way stretch) and espresso are all included in the latest supplement put out by the authoritative Chambers British Dictionary.

Ten years ago these words would have meant little to people who rely on the dictionary for their English. Had they described the cat's dilemma with the words then at their command, they likely would have said:

"A young lady with an addiction for jazz music suffered a disarrangement of her clothing while performing a vigorous dance in a coffee house used by the younger set."

This is a measure of what is happening to the English language, but as a spokesman for Chambers said, "We must keep up with the times."

Chambers—despite its international distribution—is printed and published only in Britain. For 58 years, its tomes have been hauled down from bookshelves over the world to shed light wherever English is spoken.

Not until now, however, has the reader been able to get the definitive view on words like stereophonic, bebop, jive, cha cha, square and sweater girl.

Fashion has dictated the inclusion of words like roll-on, sack and bikini.

Science makes it with Sputnik.

The late British author George Orwell's Double Think and Big Brother make the grade from literature.

Some of the definitions run to length. The supplement needs 15 words to deal with boondoggle—"work of little or no value, especially when officially provided as a palliative for unemployment."

MINK GROUND U.S. JETS

TWIN FALLS, Idaho, May 16 (AP)—The Air Force cancelled plans to send low-flying jet bombers over southern Idaho in observance of Armed Forces day, and all because of mama mink.

Mink raisers warned officials at Mountain Home Air Force Base yesterday that any sudden noise, like the roar of a jet, would cause mother mink to eat their young.

BRITISH EFFORTS AS CONCILIATOR REPORTED GIVING FRENCH CONCERN

Others at Geneva Also Said to Be Upset Over Tactics — English Infuriated by Suspicions.

GENEVA, May 16 (AP)—Britain's would-be role of conciliator between the West and Russia was reported last night to be deeply disturbing French and other diplomats at the foreign ministers' conference.

Considerable mystification is being expressed privately by these officials, who claim to have noted some unusual activities on the part of Foreign Secretary Selwyn Lloyd's delegation.

Some of the western headshaking has come to the attention of the British team. In particular, Lloyd and his advisers have been infuriated by a published report suggesting that Britain and Russia actually have gone so far as to conclude a secret political and economic deal in the midst of the Berlin crisis.

No Comment by British.

British spokesmen refuse to comment on the suggestion. They decline even to acknowledge the existence of any feeling of uneasiness about the nature of their political role here. Lloyd himself, after consulting with London, ordered that no comment be offered on the reports.

No allied diplomat goes so far as to say Britain has acted, is acting, or intends to act in a way that could expose it to charges of disloyalty.

Nonetheless, an atmosphere of mistrust and concern is building up. In a sense it seems to be a byproduct of a number of circumstantial developments that came in the wake of Prime Minister Macmillan's journey to Moscow last February and March.

The picture being circulated covers British moves before and during the current foreign ministers talks.

Pre-Parley Activities.

Before the conference:

1. French officials said secret but reliable" reports have reached their government that Britain has provisionally promised Russia a big loan to boost trade. The reports suggested Soviet Premier Khrushchev, for his part, pledged in Moscow that Communists in the Middle East would lay off British oil interests.

2. West German Chancellor Adenauer told Macmillan in Bonn last March 12 or 13 his journey to Moscow had weakened the western alliance. He suggested Macmillan could have achieved in two days what he had got from Khrushchev in 10—and reaped the same domestic electoral advantages. And he claimed the day had passed when a British leader could travel to Moscow to talk about Germany's future without the say-so of the German government.

Conference Attitudes.

During the conference:

3. Lloyd's interventions have been marked by what his colleagues see as an undue softness toward Soviet Foreign Minister Andrei Gromyko and Russian policies. There is no suggestion that Britain's own policy has changed. But firmer British speeches would be preferred.

4. French, and to a lesser extent American, officials profess to be puzzled by what they regard as over-frequent contact between one or two high British and Soviet officials. They also have detected what they see as a British tendency to concede points to the Russians—points of procedure that could become points of political substance.

Picket Line at Cape Canaveral

—Associated Press Wirephoto.

Navy Polaris missile rolling on trailer into Cape Canaveral (Fla.) missile test center yesterday past picketing Carpenters Union strikers CECIL PATTERSON (left) and FRANK TAYLOR. The carpenters went on strike after failing to reach agreement on a new contract at the center.

WHITE HOUSE URGED TO CUT ITS SPENDING

MONTICELLO, N.Y., May 16 (AP)—Senator Paul H. Douglas (Dem.), Illinois, urged the White House last night to set an example by cutting presidential expenses.

He told the twelfth national convention of the American Veterans Committee:

"By cutting back and setting the example, President Eisenhower could start a chain reaction of savings that would bring massive new funds to our defense program and economic welfare activities, yet without a cent of new taxes."

He said that White House expenses under Mr. Eisenhower are twice what they were under President Truman. Douglas specifically cited expenditures for new limousines, helicopters and personnel.

Douglas received the A.V.C.'s Citizen of the Year award and keynoted the opening of the three-day convention here. About 600 delegates attended.

Douglas, chairman of the Joint Congressional Economic Committee, said five billion dollars a year in Government money "goes down the drain of managed waste."

"It cripples our defense readiness and washes away opportunities to put Government money where it will do the most good," Douglas asserted.

Besides White House economy, he suggested that the Defense Department use up what he called a huge surplus of non-military funds and award more contracts on the basis of competitive bidding.

Douglas urged further that frills be trimmed from budget items such as subsidies to business and agriculture.

He also advocated the plugging of tax loopholes by eliminating special allowances for oil and gas, by withholding income tax on dividends and interest at the source, and by cracking down on what he called the expense account economy of business.

LATIN AMERICA WARNED AGAINST DEPENDING ON U.S.

PANAMA CITY, May 16 (AP)—The head of the United Nation's Economic Commission for Latin America, Raul Prebisch of Argentina, warned yesterday that Latin American countries must not depend on foreign aid to solve all their financial problems.

He was the keynote speaker at an economic conference sponsored by the U.N.

Prebisch indorsed the idea of a Latin American common market, but said it must be carefully planned and developed slowly.

Mexico's chief delegate Placido Garcia Reynoso came out strongly in favor of the common market. He said the standard of living in Latin America is growing but not enough.

The delegates and observers are taking tomorrow off to visit the Panama Canal Zone at the invitation of the United States.

CAPE CANAVERAL STRIKE TALKS SET

CAPE CANAVERAL, Fla., May 16 (AP)—A federal mediator scheduled separate meetings today with contractors and carpenters union representatives in another effort to settle a strike that has made more than 3000 workers idle at the missile test center and nearby Patrick Air Force base.

Mediator John A. Kennedy reported no progress after meetings with both sides yesterday.

About 400 carpenters struck yesterday morning in a wage dispute with the associated general contractors. By last night, most off-base contractors had signed individual agreements with the union.

Still on strike were 115 carpenters employed at the test center and the air base. They set up picket lines at the military facilities yesterday and nearly 3000 other union employes refused to cross them.

More than 2000 other union workers, however, did not honor the picket lines.

Work was slowed on nearly $5,000,000 worth of military construction. The strike was not expected to interfere with missile launchings.

Contracts signed by individual contractors yesterday reportedly granted the union what it sought — a one-year contract with a 25-cent-an-hour pay increase retroactive to April 1, the date the old contract expired.

Contractors working at the military installations belong to the Patrick Air Force Base Contractors Association and bargain collectively. They have offered a staggered 35-cent-an-hour wage boost over a two-year period. Patrick is 15 miles north of Cape Canaveral.

BANK STRIKERS, POLICE CLASH IN BUENOS AIRES

BUENOS AIRES, May 16 (AP)—Striking bank workers and police fought in the heart of the capital last night amid rising agitation against President Arturo Frondizi's austerity program.

The clash came a few hours after almost all of Argentina's heavy industry was forced to shut down by a one-day anti-government strike called by leftist and Peronist unions.

Several hundred bank employes, who have been out a month in pressing demands for more money, set up barricades of streetcars and trolley busses. A hail of stones met police trying to break up the demonstrations. Riot squads armed with tear gas finally dispersed the crowd.

Frondizi shook up his cabinet in a move to the right but declared he was determined to carry through with belt-tightening economic program.

The President's top economic adviser, Rogelio Figerio, quit. Another who resigned was Foreign Minister Carlos Florit. He was replaced by Diogenes Taboada, right winger who was instrumental in bringing Frondizi to power a year ago.

Algerian Killed in Paris.

PARIS, May 16 (AP)—An Algerian cafe owner and his European wife were shot and killed last night after their motor scooter was forced off the road by an automobile. Ali Boudjada and his wife attempted to flee but were shot down.

Conference

Continued From Page One.

tee to draft an all-German election law. Gromyko may try to expand that to meet his proposal for East-West German government negotiations on reunification.

The Western foreign ministers were represented by their aids as being generally pleased with the progress made in the meetings since they started Monday. The first three days were spent in wrangling over the shape of the conference table, the role of German advisory delegations and the Soviet demand to bring Poland and Czechoslovakia to the table, but officials said these disputes could easily have consumed the entire week.

Instead, the West yielded to Soviet pressure for a round instead of a square table. Russia agreed to limited participation for Communist East Germany. And Gromyko shelved temporarily his bid for an invitation to Poland and Czechoslovakia.

Counter Plans Submitted.

That cleared the way for Herter to introduce Thursday the long-heralded Western package proposing to begin the unification of Germany by making Berlin a "united city" and tying into the 30-month unification plan a series of steps which would lead to global disarmament and a new European security system.

Gromyko countered yesterday with his own proposal, which on the main point of a German peace settlement is the exact reverse of what the West proposed. Instead of making a peace treaty wtih a united Germany, Gromyko called for immediate conclusion of a peace treaty to be signed with both East and West Germany and then leave up to them the whole reunification problem.

To this end he introduced a draft German peace treaty which Moscow had originally circulated and made known to the world last January. The United States promptly denounced this action on the ground that the west had rejected the treaty when it was first put up.

"The United States," said Assistant Secretary of State Andrew H. Berding in a statement, "is keenly disappointed that Mr. Gromyko put forward nothing new or constructive."

Summit Plans Reported.

By United Press International.

The Western Big Three are planning on a summit conference, probably in mid-July and possibly in San Francisco, despite the deadlock in the foreign ministers' talks here, it was reported today.

Authoritative sources said today the West believes Soviet premier Khrushchev is so anxious for a chance to negotiate with President Eisenhower that he is willing to pay the price of progress here which the West has set as the prerequisite for a summit conference.

Secretary Herter and his British and French colleagues hope to arrange for secret sessions as a means of sounding Gromyko's intentions.

All outsiders would be excluded from such meetings, including the press spokesmen who have told correspondents about all conference happenings so far. The West believes that there will be a better chance of effective dealing with Gromyko if the spotlight of propaganda is removed from their meetings.

Union virtually turned it down yesterday.

In Britain, important newspapers are saying that if the West has any hopes for using the package as a basis for settlement it will have to "unwrap" it and negotiate on its component parts, particularly on Berlin.

Press comment from Eastern Europe and the Soviet Union has echoed Moscow's complaint against the idea of a plan integrating solutions for Berlin, German reunification and European security.

Russian correspondents made a point of praising the British and United States foreign ministers for making opening statements "in a spirit of good will." The correspondents also made a point of excluding French Foreign Minister Maurice Couve de Murville from their compliments.

The complaint that the Western plan was too comprehensive was voiced by The Times of London.

"The Russians apart, it has to be said that the plan as it stands, by linking so many broad matters together, incurs the risk that no start can be made on anything," said The Times. "The three most promising lines of advance still appear to be: to peg away at a hard agreement on Berlin, fixing its status beyond doubt; to develop technical contacts between the two parts of Germany, and, even now, to clinch the cessation of nuclear tests."

The Manchester Guardian said the West had failed to put the "one queston which might seriously embarrass the Russians: Will you agree to reunion through free elections if Germany leaves NATO? . . . It is almost certain, that Mr. Khrushchev would not now accept such an offer."

The Sueddeutsche Zeitung of Munich said the West would have to take the package apart or Moscow could accuse Western leaders of presenting an "ultimatum."

Two French weeklies took the position that the conference in Geneva was a mere prelude to the summit.

L'Express said the Western foreign ministers had not been sent to Geneva to settle the German problem with Gromyko but "only to test the degree of his sincerity."

France-Observateur said the West had resigned itself to the summit conference and that the Russians were "determined to avoid a rupture."

PRESS REACTION TO WEST'S OFFER

© New York Times News Service

Western Europe's press is greeting the West's package proposals on Germany with a medium-sized degree of approval but only a small degree of hopefulness.

Most newspapers in Britain, France and West Germany had written off any hope that the Russians would accept the package before the Soviet

MURRAY ASSAILS LATEST U.S. PLAN FOR A-TEST BAR

Original Proposal Put in Second Place, He Says — Wants Trials Resumed.

WASHINGTON, May 16 (AP)—Thomas E. Murray, former member of the Atomic Energy Commission, said yesterday Russian acceptance of the latest United States nuclear test bar proposal would be "the worst thing that can happen."

Murray, now a consultant to the Senate-House Atomic Energy Committee, proposed in a memorandum that this country end its current suspension of atomic weapons testing.

Testing can be resumed in such a way that the atmosphere will not be polluted by radioactive fallout, Murray said. He argued that it could be justified in a court of world opinion.

Murray insisted that testing must be started again because the problem of developing limited nuclear weapons which would strike only at military objectives has not been solved.

Program Given Up?

"Has the United States permanently given up its program designed to limit nuclear weapons and make them suitable for properly military uses?" Murray asked.

He called the big bomb "simply instruments of indiscriminate massacre."

Murray, a Democrat, was dropped from the A.E.C. by President Eisenhower in 1957. The congressional consultant said that in the President's April 13 letter to Premier Khrushchev on the Geneva nuclear test bar talks, "the administration finally reached a realistic position."

In that letter Mr. Eisenhower proposed a pact to suspend all tests within 30 miles of the earth, those which would contaminate the atmosphere.

Mr. Eisenhower wrote that negotiations then might continue further to bar underground and outer space tests.

However, Murray said Mr. Eisenhower then wrote another letter to Khrushchev embracing an idea of Prime Minister Macmillan of Great Britain that a test bar agreement be reached to be policed by a limited number of predetermined annual inspections.

First Plan Subordinated.

In stories from Geneva last Saturday, it was reported that an Eisenhower letter promised to give close study to the limited inspection proposal.

Murray said that in this letter Mr. Eisenhower embraced the Macmillan idea "and put his own proposal of April 13 into second place."

"The worst thing that can now happen," said the memorandum, "is that Khrushchev will accept the first (limited inspection) proposal made by the President in this latest letter.

Such an agreement would put a permanent stop to all United States nuclear tests but not necessarily to Soviet tests because Russia could very easily evade a system of only occasional inspections, Murray asserted.

Algerian Rebel Claims.

CAIRO, May 16 (AP)—An Algerian provisional government spokesman said yesterday Algerian rebels killed 140 French soldiers and wounded 63 from May 5 to 11. The spokesman claimed also that the rebels shot down four French planes and destroyed 12 combat vehicles.

Herter in Rome to Confer With Segni, Pella on World

Makes Flying Visit to Italy From Geneva — Greeted by Two Prelates From Vatican.

ROME, May 16 (AP)—Secretary of State Christian A. Herter arrived here today on a flying visit from Geneva.

When Herter stepped from his plane at Ciampino airport two prelates from the Vatican's Secretariat of State were among officials present to welcome him.

They told Herter that Pope John XXIII "is following with keen interest the decisions of the Geneva conference."

Herter looked fresh and was smiling broadly as he shook hands with welcoming officials, who included Italian Foreign Minister Giuseppe Pella and United States Ambassador James D. Zellerbach.

Herter said his one-day visit to Rome gave him an opportunity to confer with Prime Minister Antonio Segni and Pella on "Matters of concern not only to our two countries but to the entire world."

"The purpose of the Geneva conference," he told reporters, "is to agree on a plan for the solution of the problem of a divided Germany, and of European security.

"The is a close identity of views and purpose between the United States and Italy on the important subjects now under discussion."

The Secretary of State went directly to the United States Embassy before going to the Quirinale Palace for a brief talk with President Gronchi. Afterward he will hold a "working meeting" with Segni and Pella at the Villa Madama.

Herter plans to return to Geneva this evening.

TWO REDS QUIZZED AT SENATE HEARING

© New York Times News Service

WASHINGTON, May 16—Two Communist party officials appeared before a Senate investigating subcommittee yesterday. One appeared willingly, the other unwillingly, but they gave similar testimony.

Arnold Johnson, a volunteer witness, announced to the Senate Internal Security subcommittee that he was the national legislative director of the party. James E. Jackson, who has signed documents as the party's director for Negro and southern affairs, would not even admit that he was a Communist. His business address in New York City was the same as that given by Johnson.

Both made the sessions fiery at times.

Johnson appeared at the hearing to oppose pending anti-subversion legislation. He said he frequently disagreed with decisions of the Supreme Court, but found the one in the Smith Act case "superb."

Johnson had served a three-year prison term for violation of this statute, which makes it a crime to advocate the overthrow of the Government by force and violence. The court ruled that the law applied only to advocating action to overthrow, not abstract teaching.

Jackson was subpenaed because of a recent trip to Soviet Russia and satellite countries. The panel wanted to find out what instructions to the American party he might have brought back. The witness invoked Fifth Amendment protection against self-incrimination. At times he turned a question into a bitter attack on what he called "this line of questioning."

He refused to discuss his travels, speeches as reported by the Soviet press, the industries he visited, or other phases of his journey. He expressed resentment at being interviewed, as he said, as "a courier, a messenger or something like that" when questions appeared to seek what he brought back to the American party.

He would not admit that he had made reports to the International Longshoremen's and Warehousemen's Union, or to the Worker, the official Communist press in this country.

Johnson refused to say whether he would bear arms for the United States in the event of a war with Russia. Jackson said he would defend the United States in the event of "aggression" by any country. He added that Russia would never be "an aggressor."

Both of the witnesses contended that no Communist could be convicted again under the Smith Act. Communists, they held, did not believe in the overthrow of the American Government by force and violence. They added that American Communists were loyal citizens, and that subversion was the instrument of "Dixiecrats and others" who would deny civil rights to citizens.

DEMANDS TO FREE AFRICANS ARE REJECTED IN COMMONS

© New York Times News Service

LONDON, May 16—The Government rejected opposition demands yesterday for the release of Africans detained in Kenya and the Central African Federation of the Rhodesias and Nyasaland.

The emergency in Kenya dates from the outbreak of anti-white violence seven years ago by the Mau Mau, an African secret society. In the Central African Federation declarations of emergency early this year were accompanied by outbreaks of agitation by Africans in Nyasaland seeking to secede from the federation.

The Labor party's demands for the release of those detained was launched in the House of Commons by Fenner Brockway. It covered four African groups: The Mau Mau, the Nyasaland African Congress and, in northern Rhodesia, the Zambia African Congress and the Miners African Union.

6 TRYING TO ESCAPE CUBA ON STOLEN YACHT SEIZED

HAVANA, May 16 (UPI)—The Cuban navy frigate Antonio Maceo captured the stolen yacht Triton on the high seas Thursday with six fleeing followers of former President Fulgencio Batista aboard, it was announced yesterday.

The announcement, which said the Batistianos were seeking to escape to the United States, identified them as five former military men and one civilian.

The craft was stolen from its ancorage in the Banes river between Mariel and Santa Fe in Pinar Del Rio province.

QUARLES SOUGHT NUCLEAR PLANE BEFORE HE DIED

Air Force Deputy Says Push for Its Development Was Official's Last Decision.

WASHINGTON, May 16 (AP)—The last decision Donald Quarles made before he died a week ago was to make an appeal to President Eisenhower to push development of an atomic powered airplane.

The word was given yesterday by Lt. Gen. Roscoe C. Wilson, Air Force deputy chief of staff for development.

At the same time, Wilson told the Aviation Writers Association the final technical obstacle to construction of an experimental nuclear powered plane has been overcome. This, he said, involved shielding of crew and equipment from radiation.

The general declined to say how the shielding problem was solved. But he said that if go-ahead funds are obtained "it shouldn't take many years for the nuclear-powered airplane to be in the air."

Disgreses From Text.

Wilson digressed from his prepared speech to make mention of Quarles, deputy secretary of defense who died in his sleep last Friday of a heart ailment.

"It may interest you to know," Wilson tol dthe writers, "that Secretary Quarles's last decision was that the Defense Department and the Atomic Energy Commission would appeal to the President for the power to expedite nuclear aircraft development."

Asked whether Mr. Eisenhower has given his approval, Wilson said the President has not yet said yes.

The general said Mr. Eisenhower has been keenly interested in the nuclear aircraft problem all along but did not want to rush ahead, merely to beat the Russians into the air with some kind of nuclear aircraft.

Wilson said the new proposal to the President involves funds to go ahead with "Phase 1"—design and early development.

Funds to be Diverted.

He said the money to get going would be diverted from other Air Force projects. Thus, Wilson said, the additional cost initially will be moderate. These added funds will be provided by the Air Force and the Atomic Energy Commission, he said.

Wilson spoke of the Air Force as being embarked "on a program to produce a subsonic nuclear powered airplane which will be the prototype of a future weapons system."

A nuclear bomber, he said, would be able to reach any point on earth and would be capable of ejecting long range missiles, short range rockets and nuclear bombs.

As Wilson envisioned it, the nuclear plane would not necessarily be any bigger than the B-52 heavy jet bomber now in use. It would be designed to use the same runway length as the B-52, he said.

PARLEYS FAIL, TEAMSTERS FOR BUILDERS NEAR ILLINOIS STRIKE

83-County Walkout Against Construction Contractors Threatened for Monday in Wage Dispute.

Negotiations for a new contract between the Associated General Contractors of Illinois and the Teamsters Union appeared stalemated today, but federal and state conciliators at Springfield were attempting to head off a strike threatened for Monday.

The strike would affect about 4000 construction Teamsters in 83 downstate Illinois counties, including St. Clair and Madison, and would tie up all highway and building construction.

Robert Young, executive secretary of the Associated General Contractors, said negotiations were broken off yesterday when a committee representing 130 downstate contractors turned down a union demand for 15-and 20-cent wage spreads between driver classifications.

He said he was told by a member of Teamsters Council 63, which is bargaining for the drivers, that Teamsters would be instructed to report to their union halls Monday and would not be available for work.

Thomas J. Warwick, secretary-treasurer of Teamsters' Local 729, East St. Louis, said his union has received no instructions. He added that he had heard rumors that a strike would be called.

The contractors offered to sign a two-year pact. Pay rises of 7½ cents an hour this year and 12½ cents next year would be given to drivers in districts which include St. Clair, Madison, Peoria and Tazewell counties. Drivers in other downstate areas would get 20 cents this year and 15 cents next year.

Wage scales in the areas getting the smaller increases are higher than in the other areas. Construction Teamsters now are paid wages ranging from $2.45 to $3.35 an hour.

The Teamsters have been working without a contract since March 31. United States Conciliator George Kennedy of Chicago and State Conciliator Fern Rauch of East St. Louis have kept the principals at the bargaining table in Springfield. Rauch said he was hopeful another meeting could be arranged next week.

Guy Clapper, head of a Decatur Teamsters local and an officer of the Illinois Conference of Teamsters, said members of his local will definitely strike Monday. They will picket their jobs, he added.

The only Illinois Teamsters not involved in the negotiations are those in Cook county and 18 adjacent counties.

IMPROVED ATLAS DEVELOPS TROUBLE, TEST CALLED OFF

CAPE CANAVAREL, Fla., May 16 (AP)—A combat model of a powerful Atlas intercontinental ballistic missile blazed on its launching pad tonight, but the engines shut down seconds later when trouble developed.

It was the second attempt to launch a new D series Atlas which special refinements have made lighter and more powerful than its predecessors. On the first try April 14 the missile swayed off course and was blown up 15 seconds later.

Meanwhile in Washington Secretary of the Air Force James H. Douglas said the Air Force has tested the largest solid-fuel engine for missiles ever believed to have been fired. He described the test as a major milestone in the development program for the new, quick-firing intercontinental ballistic missile called the Minuteman. Details of the test were not given by Douglas in a speech at an Armed Forces Day dinner.

NEW JOBLESS PAY CLAIMS IN WEEK UP SLIGHTLY

Initial claims for unemployment benefits in the St. Louis area rose slightly this week it was announced yesterday by Charles G. DeLargy, St. Louis manager of the Missouri Division of Employment Security. New claims totaled 1827.

There were 44 more new claims than last week's total of 1783, which was the record low number filed in any week thus far this year. Initial claims filed for the comparable week a year ago totaled 3301.

Continued claims for benefits totaled 10,995 this week, 28 more than the 10,967 continued claims on file last week. Continued claims a year ago totaled 23,953.

Missouri-Illinois Forecasts

Missouri: Considerable cloudiness tonight and tomorrow; scattered showers or thundershowers spreading over most of west and central tonight and tomorrow; a little warmer tonight and in southeast tomorrow; low tonight in upper 40s in northeast to upper 50s in southwest; high tomorrow 65 to 75.

Illinois: Partly cloudy and not quite so cool tonight; tomorrow partly cloudy to cloudy with chance of showers in extreme southwest; a little warmer in south and west; low tonight in 40s; high tomorrow 66 to 72.

BRITISH BOUNCE MESSAGES OFF MOON TO U.S. BASE

LONDON, May 16 (AP)—Britain's huge radio telescope at Jodrell Bank has started bouncing messages off the moon down to the United States Air Force Research Center at Cambridge, Mass.

An announcement from Jodrell Bank said tonight the first message was sent in Morse code.

Later three scientists at Jodrell Bank spoke into a microphone: "Hullo Cambridge, can you hear us well? This message come to you via the world's oldest satellite, the moon itself." Cambridge could not reply because it has no suitable transmitter.

Jodrell Bank is the world's largest radio telescope. It is used to track space satellites and the American moon shots. This is the first time a planned radio message has been transmitted by way of the moon.

One of its greatest values as a possible future method of radio communication is that it rules out the problem of atmospheric interference that plagues normal radio transmissions.

YOUTH FOUND SHOT TO DEATH IN HIS HOME, NOTES NEARBY

The body of Alfred H. Koglin, 18 years old, was found yesterday on a bed at his home at 2337 Dawes place, Overland. He had been shot in the heart. A .45-caliber revolver was found beside the body.

Overland police were sent to the house by Koglin's 15-year-old sister, Helen, who became alarmed when he failed to call her at a friend's home as he had promised. She told police she had seen a note written by her brother in which he said he intended to end his life but had thought nothing of it because he had said the same thing repeatedly.

The youth's mother, Mrs. Alfred E. Koglin, said he was discouraged because he had not been successful in jobs he had held. Two other suicide notes were found in his room.

TEAMSTER AGENT LOSES LICENSE, SUES FLORIDA

MIAMI BEACH, Fla., May 16 (AP)—An organizer for the Teamsters Union arrested for lacking a license has filed a constitutionality suit.

Harold Gross spent four hours in custody after he continued his activities yesterday despite the lifting of his union business agent's license by the Florida cabinet. Then he filed a circuit court suit challenging the state law that requires state licenses for union agents. Gross contends the licensing requirement puts Florida in the position of forbidding a union to choose its own agents.

The cabinet canceled his license on the ground that Gross had neglected to report on his application that he had spent 2½ years in a New York jail for conspiracy to commit extortion.

JAPANESE CHILDREN CHEER ON PERRY'S ANNIVERSARY

SHIMODA, Japan, May 16 (UPI)—Thousands of cheering schoolchildren, waving United States and Japanese flags, welcomed United States officials arriving here today to celebrate the anniversary of Commodore Matthew T. Perry's "opening of Japan."

United States ambassador Douglas MacArthur II and R. Adm. Frederic S. Withington, United States naval commander in Japan, came by yacht from the naval base at Yokosuka to take part in the traditional "black ship" festival commemorating Perry's arrival in the mid-Nineteenth Century.

Heavy rainfall forced postponement of the main ceremonies until tomorrow.

Grant to Asian Alliance.

LONDON, May 16 (AP)—Britain will grant $43,400,000 to the Southeast Asia treaty alliance this year. R. A. Allen, joint parliamentary secretary for foreign affairs, told the House of Commons yesterday British contributions to the Asian alliance already have totaled $344,400,000 and that the new grant will be added to this amount.

J. S. M'DONNELL, 12 AIDS SAFE IN FORCED LANDING

J. S. McDonnell, president of McDonnell Aircraft Corp., and 12 executives of the firm escaped injury yesterday when their chartered plane was forced down on a small airport at Connorsville, Ind., after the right engine caught fire.

As the plane came to a stop, the engine dropped to the runway. Pilot Robert Craig said ice began to form on the wings at 9000 feet so he came down to the 3000-foot level. It was than that the engine burst into flame.

Assisted by the co-pilot, Richard Blumenkamp, Craig brought the twin-engine DC-3 down safely.

McDonnell and the other passengers went by automobile to a larger airport at Richmond, Ind., and boarded another plane for Wright-Patterson Air Force Base, near Dayton, O.

22 FORD DEALERS IN DETROIT DENY PRICE-FIXING CHARGES

DETROIT, May 16 (AP) — Twenty-two Detroit area Ford dealers and their association today denied charegs of fixing new car prices. Arthur M. Stringari, legal counsel for Metropolitan Detroit Ford Dealers, Inc., and the individual dealers, said they will fight the Government charges in the courts.

The dealers and the association were charged with antitrust violations in an indictment returned in United States District Court in Detroit yesterday. The indictment accused them of a conspiracy to "raise, fix and stabilize" prices on Ford cars, parts and accessories and to set auto prices at a level that would guarantee a gross profit of at least $225 on each unit sold.

A previous Detroit grand jury last Jan. 23 indicted 22 Detroit area Chevrolet dealers on similar charges. They are awaiting trail. Other similar indictments were returned in the last year in New York City, San Francisco and Washington.

ARTHUR GODFREY GIVES UP PUBLIC LIFE FOR 60 DAYS

NEW YORK, May 16 (AP)—Arthur Godfrey has said "au revoir" to public life for 60 days to follow doctors' orders explicitly in recuperating from a lung cancer operation. The 55-year-old radio and television star left Columbia Presbyterian Hospital yesterday—a weak, trembling man but grateful to be alive.

Later from his Manhattan apartment Godfrey dictated a 1000-word statement concerning his recent operation and hopes for the future. After spending some time in New York he will go to his 1500-acre Virginia farm.

Banker Killed in Holdup.

NORTH BAY, Ont., May 16 (UPI)—Alex Heron, manager of the Temiskaming (Que.) Bank of Montreal branch, was shot and killed yesterday trying to prevent a holdup. He leaped on the back of a robber who was holding a gun on a teller. The robber wheeled around and fired at Heron twice hitting him once in the neck and once in the head. The man and a companion escaped without any money.

MOTHER AND HER DAUGHTER DIE IN ILLINOIS CRASH

Four Other Persons Injured in Collision Five Miles South of Belleville.

A woman and her 5-year-old daughter were killed and four other persons were injured last night in a collision of two automobiles at the intersection of Illinois Route 159 and Douglas road, about five miles south of Belleville.

The dead are Mrs. Fred D. Mueller, 33, and her daughter, Lynn.

Two other Mueller children were seriously injured and are at St. Elizabeth's Hospital, Belleville. They are Jacqueline, 11, suffering from internal injuries, and Fred D. Mueller Jr., 14, suffering from head injuries.

The Muellers, who live in Smithton, Ill., eight miles south of Belleville, were riding in a machine driven by Mueller, who suffered shock. The other driver was Mrs. Betty L. Weiland, 221 First avenue, Edwardsville. She suffered head and chest injuries.

State Police said Mrs. Weiland was traveling west on Douglas and the Muellers north on Route 159. The Mueller machine struck the side of Mrs. Weiland's car.

GLOBE-DEMOCRAT, GUILD LAWYERS TO CONFER AGAIN

Attorneys for the Globe-Democrat's striking members of the St. Louis Newspaper Guild and S. I. Newhouse, owner of the newspaper, were to meet in New York today in an effort to reduce to contract language the terms for settlement of the 12-week strike.

Tentative agreement was reached last week on the two principal issues on which negotiations had been stalled earlier. These were the method of guaranteeing a pension plan without a supporting trust fund and the question of job security.

Morris Levin, attorney for the Guild, flew to New York last night from Miami, Fla., where he had been attending a conference of attorneys for another union which he represents. He was to meet today with Charles Goldman, attorney for Newhouse.

COUNTY GAMBLING RAIDER CUTS ARM CRASHING DOOR

Sgt. Harold Brown, head of the St. Louis county police vice and gambling squad, suffered a lacerated left arm early today when raiding a suspected dice game at 10777 Booth avenue, north St. Louis county. Seven persons were arrested.

Brown and Patrolman William Carson watched through a window in a rear door as the game progressed, they said. When they tried to enter, they found the door was nailed shut and had a steel bar across it. Brown kicked the door partly open. When he lunged at it with his body, his arm went through the glass.

The officers arrested Edward L. Crenshaw, who lives at the place, and booked him suspected of operating a common gaming house. The others were booked suspected of gambling. Brown was taken to St. Louis County Hospital where 47 stitches were taken in his arm.

MRS. TRUMAN WILL REMAIN IN HOSPITAL 'QUITE A WHILE'

KANSAS CITY, Mo., May 16 (UPI)—Mrs. Harry S. Truman, who entered a hospital Thursday for a checkup and treatment of a persistent cold, is going to remain there for "quite a while," her doctor said last night.

Dr. Wallace Graham, White House physician when Truman was President, said he did not know exactly how long Mrs. Truman, 74 years old, would be kept in the hospital.

A close friend of the Trumans said Mrs. Truman has had a persistent cold and her doctor advised a checkup before a planned return trip to New York later this month to attend memorial services for the late President Roosevelt at Hyde Park, May 30. They also plan to visit their daughter, Mrs. Clifton Daniel, who is expecting a second child soon.

TWO MEN ROB BUTCHER OF WALLET CONTAINING $25

Frank Ruffing, a butcher at the H. Schenberg Market, 2501 North Sarah street, was robbed of his wallet containing $25 yesterday by two men who posed as customers.

Ruffing said the two men ordered some sausage. While he was slicing it, one of them displayed a pistol and forced Ruffing to hand over his wallet and car keys. The men then ran west on St. Ferdinand avenue.

RIDING IN PARADE AT 116

HOUSTON, Tex., May 16 (AP)—Walter Williams, the nation's oldest veteran and the only survivor of Civil War forces, planned a rare outing today.

Williams, 116 years old, planned to ride in an ambulance in the Armed Forces day parade. The one-time Confederate forage master became the only Civil War veteran recently with the death of John Salling, also a Confederate veteran, of Slant, Va.

DRIVER FLEES AFTER ROBBER THREATENS HIM

Holdup Attempted After Motorist Pushes Stalled Cab —Suspect Seized.

Ralph Reed, 2912 University street, jumped out of his automobile after a man got into his car, announced a holdup and threatened to kill him in Franklin avenue early today.

Reed, a toolmaker, told police he was driving in the 1700 block of Franklin when a man standing in the street asked him to push a stalled taxicab. The man got in Reed's car. After Reed pushed the taxicab to the 1600 block of Franklin, the intruder thrust a hand in a coat pocket and announced a holdup. He said he had a revolver and would shoot if there was any resistance.

Reed swung the car to the curb and jumped out. He ran to Twentieth street and Franklin where he found several policemen. The officers hurried to 1600 Franklin, but Reed's car had been driven away. Several minutes later it was found around the corner, in Sixteenth street. A man in the car was searching the glove compartment. He jumped out and ran when the officers appeared.

Captured after a brief chase, the suspect said he is Bernard Henderson, a porter, living in the 2600 block of Franklin. He was booked suspected of attempted robbery and theft of an automobile. He denied both charges.

Frank Ishii, attendant at a public garage at Broadway and Washington avenue, was robbed of $45 early today. Ishii reported he was counting the money when a man appeared holding a hand in a pocket as if he had a revolver. After taking the cash, the man marched Ishii a short distance down a ramp, then fled.

Elias Harris Jr., 3431 Delmar boulevard, told police he was robbed of $40 by two men who forced their way into his automobile at Francis street and Brantner place early today. After taking his money the men fled on foot.

Miss Marie Pruett, clerk in an ice cream store at 3027 Union boulevard, was held up last night by a man armed with a revolver. He fled with $5 after pulling the telephone cradle off the instrument. The cradle was found in the alley behind the store.

BAD-MANNERED CHILDREN BARRED IN BRITISH TV ADS

LONDON, May 15 (UPI)—The independent television network today called on producers of commercials to use discretion and show children whose "behavior is reasonably civilized."

Among forbidden ads are those in which children are "worrying their parents with such words as 'ask mummy . . . ask daddy'" and scenes in which children "demand rather than ask for something they want, or eat with bad table manners."

ELLIS HENRY HEADS UNIT OF TRAFFIC ENGINEERS

Ellis C. Henry, acting city traffic commissioner, has been elected president of the Missouri Valley section of the National Institute of Traffic Engineers at its annual conference at Columbia, Mo., it was announced yesterday.

Henry has served as acting traffic commissioner here since the retirement of Charles G. Gonter last fall. The Missouri Valley Section of the institute comprises Missouri, Iowa, Nebraska, Kansas and Oklahoma.

Anvil Chorus of Woe.

KINGS MOUNTAIN, N.C., May 16 (UPI) — Whoever put a 200-pound anvil in the middle of U.S. Highway 74 here Thursday night can reclaim it now. There is a $1000 repair bill for Thomas L. McNab's car attached. McNab said the anvil ripped out the transmission and gasoline tank.

Parade, Helicopter Mail Flights Mark Armed Forces Day Here

7000 Participants to March in Downtown Event—Planes on Display at Scott A.F.B. Open House.

A downtown parade, open house at Scott Air Force Base and helicopter air mail flights between the main post office and Lambert-St. Louis Field were scheduled today as features of Armed Forces day.

The parade, with about 7000 participants including Fort Leonard Wood's 450-man Fifth Engineer Combat Group, was to start at 1:30 p.m. from Twelfth boulevard and Washington avenue.

The route was east to Sixth street, south to Locust street, west to Twelfth, south to Chestnut street and west to Fifteenth street, passing in front of a reviewing stand at Soldiers Memorial.

Other marchers included members of veterans organizations, college and high school R.O.T.C. drill teams, Girl and Boy Scout troops and military units.

Riding in the parade were Miss Norma Adams, who is Miss Armed Forces Week, five queens representing the Army, Navy, Air Force, Marines and Coast Guard, Congressional Medal of Honor winners Arthur J. Forrest and Russell E. Dunham and motion picture actor Joel McCrea.

At Scott Base, 23 types of military aircraft were on display, including a C-133 Cargomaster, largest cargo plane in the world. The open house, from 10 a.m. to 4 p.m., included displays of "DEW" (Distant Early Warning System) equipment, Air Force survival gear and charts and maps from St. Louis's Aeronautical Chart and Information Center.

Also scheduled at Scott were "flyovers" by F-86L Saberjets, C-119 "Flying Boxcars," a Strategic Air Command B-47 jet bomber and a KC-97 aerial refueling ship.

On the first helicopter mail flight a large postcard, signed by Acting Postmaster Claude I. Bakewell and Brig. Gen. William B. Bunker, commanding general of the Army Transportation, Supply and Maintenance Command, which supplied the helicopter, will be sent to President Eisenhower.

There are no plans to continue the helicopter mail service after today.

A U.S.O. buffet box supper for military personnel will be given at 6 p.m. today at Soldiers Memorial. This will be followed by an enlisted men's dance until 11 p.m. Entertainment will include a show featuring winners of the Fifth Army Area talent contest.

ROBBERS' TRUST IN VICTIM LEADS TO TWO ARRESTS

Two suspected holdup men were arrested in East St. Louis early today because they trusted one of their victims.

John Beahringer, 427 North Twenty-fifth street, and Dale Rawdon, 1715 Frederick street, were sitting in Beahringer's automobile in front of his house when two men, one carrying a revolver, approached and demanded their money.

Rawdon gave up $4.50, but Beahringer had only 50 cents. The robbers told him to go into the house and get some more money and not to "pull any funny stuff or we'll shoot you," he told police.

Once in the house, Beahringer telephoned police. Those arrested said they were Christopher Williams, 500 block of Brady avenue, and Edward Perkins, 400 block of North Twenty-first street. Police said both admitted the holdup attempt.

BAR PICKS LAWYER TO DEAL WITH LANDWEHR TRUSTEE

Forest M. Hemker was appointed by the executive committee of the St. Louis Bar Association yesterday as the group's attorney in dealing with the trustee of the estate of Frank C. Landwehr.

In his will, Mr. Landwehr, who died last Monday in his home at 6254 Wydown boulevard, provided that a trust fund be established for his sister, Miss Clara Landwehr. Upon her death the estate will go to the association to provide facilities for a headquarters and a meeting place for all lawyers and law groups of St. Louis.

Herbert E. Barnard, president of the association, said Hemker will confer with the trustee, the St. Louis Union Trust Co., concerning the will. Meanwhile the association will continue with its plans to remodel the eighteenth floor of the Mayfair hotel for a headquarters.

SALVATION ARMY HOLDS ANNUAL YOUTH COUNCIL

The Salvation Army's annual young persons council was held today at the Tower Grove Citadel, 1324 Tower Grove avenue. About 400 youths from the Army's Midland Division, covering Missouri and Southern Illinois, are registered.

Lt. Col. and Mrs. Bramwell Tripp of Chicago are in charge of the council. He is principal of the Salvation Army's school of officer training there.

$40,000 DAMAGE AWARD TO GIRL HIT BY BASEBALL

Damages of $40,000 were awarded yesterday to Miss Carol Ann Spear, 18-year-old daughter of Mr. and Mrs. Earl E. Spear, 631 Buckley road, Lemay, for an injury she suffered while watching a baseball game. The award was made by a jury in Circuit Judge Noah Weinstein's court at Clayton.

Miss Spear lost the sight of her left eye as a result of being struck by a ball at a game being played at the Heine Meine field, 153 Lemay Ferry road, Lemay, July 27, 1957.

She contended that the area for spectators was not adequately protected by a screen. In her suit against Heine Meine, Inc., she had asked for $100,000.

KING BAUDOUIN IN DALLAS; MAY GOLF WITH BEN HOGAN

DALLAS, Tex., May 16 (AP) —King Baudouin of the Belgians was in Dallas today for a formal speech and a possible golf game tomorrow with Ben Hogan.

Wiley T. Buchanan, State Department protocol chief traveling with the visiting King, said Baudouin and Hogan "may play tomorrow if it can be arranged."

Buchanan said he and his mother would give a "small private dinner" for the King at the Buchanan family residence here tomorrow. Tonight Baudouin will address the Dallas Council on World Affairs.

CONFUSION BY JURY LEADS TO ACQUITTAL

Judge's Instructions Misunderstood in Habitual Criminal Case.

A circuit court jury misunderstood a judge's instructions yesterday and returned verdicts acquitting a defendant of a charge growing out of an attempted abduction, but finding him guilty of five crimes of which he previously had been convicted.

The confusion arose as a result of the state's effort to have the defendant, Erlester Westmoreland, convicted under the Habitual Criminal Act. This would have made a life sentence mandatory.

To convict him under that act, the jury had to find him guilty of operating a motor vehicle without the owner's consent, the charge on which he was tried, and also find that he had been convicted of felonies five previous times, as alleged by the state.

Because the jury found him not guilty of the charge on which he was tried, he was freed.

Westmoreland, 5500 block of Maple avenue, was identified by Miss Dee L. Johnson as the man who beat her and attempted to abduct her in her own automobile last Jan. 23. Trial was in the court of Judge John C. Casey.

Miss Johnson, 5305 Delmar boulevard, said Westmoreland accosted her as she aproached her car, which was parked on a lot at 3518 Lindell boulevard. After knocking her down, he forced her to hand over the ignition key and accompany him in her car, she said. She leaped out of the machine as it slowed for an electric traffic signal at Lindell and Theresa avenue.

Westmoreland was arrested several months later and picked out of a police line-up by Miss Johnson, a bookkeeper for a dance studio.

In his instructions, Judge Casey told the jurors they could find the defendant not guilty, guilty under the "Habitual Criminal Act or simply guilty of the crime for which he was tried. Punishment for the latter ranges from a fine to five years in prison.

After deliberating two hours, the jury sent a note to the judge asking if the defendant could be found guilty of "having five prior convictions but not guilty of the offense charged." Judge Casey said he would allow this and the jury returned that verdict.

Assistant Circuit Attorney Thomas M. O'Shea said the jurors apparently thought Westmoreland would be exonerated of his previous convictions if they did not find him guilty of them. O'Shea said he was both puzzled and dissappointed by the verdict.

Letters from the People

Answer to 'Truck Driver'

For a veteran truck driver the anonymous writer of the May 9 letter, "A Truck Driver on Trucks," is extremely ignorant of the federal law and the ICC safety regulations which implement it, requiring drivers crossing state lines to file daily reports in writing on the condition of their vehicle and to check a vehicle before the start of each trip to see that it is in a safe condition.

These reports must be kept in the motor carrier's files for possible ICC inspection. So if "Truck Driver" is operating a defective vehicle, or failing to make the reports, or making false reports, he is violating the federal law and subject to prosecution in federal court.

If he makes the kind of reports the law requires him to make, he may be sure that the ICC safety inspectors will find his reports and correct the trouble. Of course, these inspectors might find the trouble a lot quicker if the driver would only give his name to the nearest office of the ICC.

Approximately twice a year the ICC conducts road checks on the highways to check trucks for mechanical defects. Neither drivers nor operators are told in advance when or where these road checks are to be made.

In 1958 the Interstate Commerce Commission and the Missouri Bus and Truck Association conducted a series of "Safety Clinics" in Missouri's principal cities, at which the ICC explained its safety regulations and demonstrated how each vehicle should be inspected.

These ICC safety experts are also available to visit truck terminals to help with safety programs or equipment checks.

We have found these inspectors to be highly competent, most impartial and co-operative and anxious that every operator and every driver should have a better safety record.

They are so anxious to accomplish this objective that they willingly attend such meetings on evenings, on Saturdays, Sundays and holidays, as well as during their regular working hours.

The clinics in which we co-operated were acclaimed nationally and became the pattern for similar demonstrations in other states. We expect to have many more of them so that drivers such as the anonymous writer can learn first-hand what their own responsibilities are in the field of highway safety.

U. G. Lewellen,
Manager,
Missouri Bus and Truck Association

Regarding the present legislation before our Missouri Legislature, primarily increasing the gross weights in accordance with maximum prescribed by the Federal Roads Act of 1956, that change will benefit everyone.

Axle loads are the factor which determines whether or not an undue strain is placed upon highways, and the present legislation introduced in Jefferson City does not change the axle laws. They are on identical basis as the maximum prescribed in Federal Highway Act of 1956.

George R. Goode
President,
Be-Mac Transport Co.

I would like to praise the "Truck Driver" whose recent letter you published. The 400-mile, 10-hour limit imposed by the ICC rules is broken more times than it is followed. It is the belief of many of us that accidents involving trucks often occur because of infractions of this ICC safety rule.

Truck drivers for the most part are not to blame; and I don't suppose that the trucking companies are to be condemned for trying to make as much money as they can as long as the ICC ignores the situation.

It is the ICC which should be held responsible for the enforcing of its own rules.

Monett, Mo. R. E. Cohnberg

'One Opened Beer Bottle

Your editorial titled "One Unopened Beer Can" prompts my relating "One Opened Beer Bottle." Time, May 11, 3:30 p.m. Place, New Halls Ferry road east of Chambers road.

A car ahead, driven by a very young boy with his date close beside him, proceeded to slow down. Suddenly young driver thrust out his arm, tossed an empty beer bottle up and over the top of his car for an unbroken landing on the right-hand side of the road.

When I honked, the girl looked back, laughed, spoke to her pitcher who flattened the gas pedal and tore off at a reckless speed, covering first the center line, then the opposite lane to weave his way for a forced short stop just as the traffic light changed. Young squirt made a right turn and roared north on 66.

Was there an accident caused by that car? **Concerned for Safety of Others**

Name and address must accompany every letter, but on request will not be published. Letters not exceeding 200 words will receive preference.

Where to Make the Cuts

Which comes first, instruction or patronage? While this has been the basic issue in the last several St. Louis school elections, the alternatives have never been so sharply etched as they are now. For in declining to increase the school levy above its existing record-high level, the people in effect have provided the School Board with only enough money to satisfy fully one of these demands. If the politicians get theirs, then the children will suffer.

In the ordinary course of events there would be no difficulty in making the proper choice. But a majority of the board as currently constituted owes enormous political debts to the Democratic ward politicians who put the board members in office. That explains the angry criticism by the Board President, H. Lee Bruns, of the Real Estate Board's executive secretary, Clarence Lang, who dared to suggest that the children should come first. It explains the defensive attitude of Oscar A. Ehrhardt, chairman of the board's budget committee, whenever the Kearney report is mentioned.

The hard fact of the situation at 911 Locust street is that Mr. Bruns, Mr. Ehrhardt and a majority of their colleagues have shown no disposition to cut down on waste in the patronage-building department, for this is their political bread and butter. If they can get away with it, they will make the most of $2,000,000 in budget trims in the instruction department, eliminating such items as the Junior College, the kindergartens, summer playgrounds, high school athletics and the system's health and hygiene program.

In 1954 the School Board paid the Chicago business consultants, A. T. Kearney & Co., some $50,000 for a survey of the system's non-instructional activities. Kearney found that the board was spending $1,487,000 more than was necessary—or about 9 cents on the tax rate—and it made detailed recommendations on how to plug this leak.

Specifically it recommended annual savings running to:

$740,000 in the patronage-swollen shops division by handling all but miscellaneous and minor emergency repair work through outside contractors;

$373,200 in operating the school plant by reorganizing the custodial staff so that every man would put in a fair day's work, which only about half of the custodians were doing;

$127,000 by discontinuing the landscape division and another $100,000 by selling the board's greenhouse properties;

$152,902 by a reorganization of the board's system of finance, accounting and inventory controls and the use of business machines;

$50,000 by eliminating the captive architectural division and hiring private architects when as and if needed;

$44,000 by a reorganization of the transportation division and the elimination of chauffeur-driven vehicles.

Except for the recommendation of labor-saving business machines, all of these major proposals have been ignored. A program for the use of some electronic business machines is to be begun in six months, but school officials already are predicting that the machines not only will not replace a single employe but may even require the hiring of more.

A School Board that was sincerely devoted to the interest of the children would make every effort to achieve the necessary economies in the areas pointed out by the Kearney firm. A School Board that is devoted to protecting the system of institutionalized waste and patronage would make every effort to achieve economy in such fringe areas of instruction as the kindergarten and playgrounds.

The board's actions will speak for themselves.

Forcing Up Subsidized Rents

The Missouri Public Service Commission will best serve the public interest by disapproving Union Electric's plans for future public housing projects. The utility has decided against selling power at wholesale rates to future projects.

Union Electric now sells power at wholesale rates to the St. Louis Housing Authority, not to the individual tenant, whose monthly rent to the Authority covers the cost of the unmetered electricity he uses. As the Housing Authority argues, it is a public agency with substantial "welfare" aspects, and it ought to be entitled to buy services and materials at wholesale rates. Its rents are based on ability to pay; it is not a profit maker.

Public housing is subsidized housing, with the Federal Government providing cash grants to make up the difference between rental income and the actual cost of paying off the particular project. If allowed the privilege of selling retail to public housing tenants, Union Electric will force rents up. In that case either some needy people unable to afford the higher rents would have to be kept out of the projects, or the federal subsidy would have to be increased. Why should the Missouri Public Service Commission sanction such a result?

Latin American Common Market

Any device which facilitates trade, especially between neighboring nations, has economic advantages. Yet Dag Hammarskjold warned the United Nations Economic Commission for Latin America in Panama City that a common market based on the European model would not be a cure-all for the troubles of the region. He favored a lowering of trade barriers, but urged more attention to what he called the "social factors" in Latin American development.

President Ernesto de la Guardia of Panama noted that the region is confronted by many of its difficulties because "despair itself makes the masses listen to demagogues who offer them everything." Since solid economic growth would help to eliminate this despair, it should be fostered as part of the effort to eliminate conditions which spawn economically unrealistic and reckless governments.

The European model of the common market, however, is only of limited usefulness. The six European nations are highly industrialized while most of the Latin American countries are primarily producers of raw materials. They depend more on trade with North America and Europe than on trade with each other.

The common market should be adapted to their special needs. It should be designed, for example, to put them in a better trading position with their chief customers. And the commission certainly should consider whether industrialization would not be delayed rather than hastened by tariffs, individual or collective, for "the protection of infant industries" according to the earlier North American pattern.

Atom-Smasher and Research

President Eisenhower's announcement that he will seek federal funds to build the world's biggest linear atom-smasher is of double significance. It means that the Administration has been awakened to the need for action in nuclear research. It is evidence of an awareness of the need for increased government support for all basic research.

A proposed national program for high-energy nuclear research was drafted several months ago by a five-man task force of the President's Science Advisory Committee, adopted by the full committee and presented to the President for his approval. It is earnestly to be hoped that there will not be the slightest hesitancy on the part of Congress to give its consent.

It was in October, 1957, that the National Science Foundation, which is government supported but scientist-operated, issued an urgent warning that both industry and government had been falling behind for the previous 10 years in the support of all basic research. Since then hardly a month has passed without warnings from other bodies, scientists, educators and Congressmen on deficiencies in basic research.

About the same time that the NSF issued its warning, Dr. I. I. Rabi of Columbia University, a Nobel Prize winner in physics, wrote: "If the present trends continue the Russians may confidently expect to lead the world in basic science in one or two decades. Under favorable conditions of material support and public approbation of basic science and intellectual endeavor in general, the growth of basic science can be almost explosive in nature."

National support of such projects as the new atom smasher, which is to be a two-mile long affair at Stanford University, should play a big part in inducing more persons to enter the basic research field.

In one respect the President's announcement was disappointing. One of the major recommendations in the panel's report to him was that scientists of other nations, including Russia, be encouraged to meet with Americans "to lay plans for co-operative research on new nuclear accelerator concepts," but Mr. Eisenhower ignored the proposal.

The Russians have made some remarkable additions to world knowledge in physics in recent years and there is good reason to believe that they are at least on a par with us in the nuclear field. A partial deterrent to Moscow's aggressiveness and feeling of insecurity might be developed through working with them in the proud field of basic nuclear research.

Mr. Eisenhower has not yet presented his recommendations to Congress. He still has an opportunity to follow the full suggestion of his scientific panel. It is not too much to hope that where political science has failed, the physical sciences might be the basis for discovering a path toward more peaceful relations.

Tieken Bows Out

The extensive hearings conducted last year by the House Judiciary subcommittee into the official record of Robert Tieken, United States District Attorney for Northern Illinois, have borne fruit. Mr. Tieken, who was appointed by President Eisenhower with the sponsorship of Senator Dirksen, will not be reappointed to a second four-year term.

Attorney General Rogers does not explain why, but the reason is clear. Acting as District Attorney, Mr. Tieken issued subpenas for four Illinois state officials at a time when he was trying to get for himself a more favorable settlement of land condemnation suits in connection with the Illinois toll road program. After the toll road officials decided to pay him $34,000 for 10 acres of land near Libertyville, the subpenas were dropped and there was no grand jury investigation.

That was no way for an agent of the Department of Justice to perform, and the White House in effect now recognizes it.

For Russian Television

The Russians have caught up with John Crosby. A complaint of Moscow television critics ("complaint" is the collective for critics, like a dimming of stars, a boredom of script writers or a gaggle of geese) is disgusted with Soviet TV. There is too much "dullness and banality," according to the reviewers, too much "timidity in subject matter and presentation," too much reliance on old stuff.

This shows that Russian TV producers have more in common with their American opposite numbers than might be believed by one who does not get caviar and borsch for his TV dinner. But they have not yet caught up with the Americans who solved their problem by discovering the westerns. The Russians, however, have as big an opportunity in their backyard. For them, a cossack is as good as a cowboy. So it is only a matter of time before Russian screens light up with Cossack Caravan, The Cossacks at Red Gulch, The Cossacks in Peace and War, The Cossack Kid, the Cossack Horse Opera and so on *ad nauseum*.

The Russians are sure to strike gold in American TV programs as soon as the Kremlin translates them. In fact, there is only one show they are not likely to adapt. That one is "Who Do You Trust?"

Diplomas in Little Rock

The tragedy of Little Rock is exemplified by its high school graduating class, which numbers only 225. Before Gov. Faubus interposed himself between the public schools and their integration plan, four high schools gave diplomas to more than a thousand students each year. Now only two all-white high schools will graduate a fourth as many students. A number of students have migrated elsewhere in search of an education; many, obviously, are doing without secondary schooling—and the existing private schools are not generally accredited.

The future belongs to the educated youth of the nation, graduation orators often say. We wonder who will say that in Little Rock this year. Not Gov. Faubus.

"I DON'T KNOW HOW I HAPPENED TO GET BOTTLED UP IN THE FIRST PLACE"

Retirement Injustice to Old Soldiers

World War II Commanders Receive Smaller Pensions Than Officers Retiring Now

Lt. Gen. Samuel D. Sturgis (Ret.)
in the *Washington Evening Star*

The Eighty-fifth Congress was particularly hard working and diligent, but one of its most grievous errors, although of little direct consequence to the taxpayer, was the tremendous injustice done retired officers of the armed forces under the new pay bill, effective June 1, 1958.

For the first time in a century, retired officers of the armed forces were not accorded the usual compensation based on 75 per cent of the current base pay of the grade held on retirement.

The Mirror of Public Opinion

The savings for which federal agencies were willing to commit a gross breach of faith, as well as a hardship from the rapid increase in cost of living, averages only $13,000,000 a year until these retired men die.

An important point receiving little or no consideration by the press is that the larger part of the regular officers of this retired group not only saw service in World War I, but furnished the top leadership in World War II and Korea — officers like Ridgway, Krueger, Bedell Smith, Mark Clark, J. Lawton Collins, Leslie Groves of atomic bomb fame, and scores of other army, corps and division commanders; distinguished naval leaders such as Radford, Denfeld, Fechteler, Settle, Carney and Hewitt; and those who pioneered air power to its present heights, like Spaatz, Kenney, Baker and Quesada.

To illustrate, a major general or rear admiral retiring after June 1, 1958, draws his retired pay at 75 per cent of the new active duty rate of $1350 per month, as against the pay drawn by a major general retiring on or before May 31, which allows only a 6 per cent increase over the old retired pay of $807 a month.

This spells out to $1014 per month retirement pay for a major general or rear admiral now on active duty, who may not have commanded more than a battalion in war, as against a retired major general drawing $848 per month who commanded a division or task force during World War II and Korea.

Some witnesses before the Armed Forces Committee have purported to say that the new schedule's primary objective is to retain scientific and professional personnel.

Such argument is largely specious. For the increased pay differential for these technicians is still far from comparable with corresponding pay scales in civil life. In the case of officers, the very fair and justifiable increases, will have little effect until the services make available to such professional officers a much larger proportion of general officer grades.

It is only necessary to cite the case of Adm. Rickover of the Navy and Maj. Gen. Medaris of the Army Guided Missile Agency to demonstrate this fact. In spite of their distinguished services (Nautilus and Explorer), neither has ever been accorded three-star rank.

How can the Budget Bureau or the Department of Defense, in their recommendations to Congress, ascertain in dollars the difference in the measure of value of officers retired before and after June 1, 1958?

For example, take Maj. Gen. William Dean, whose exploits in command of the 24th Division during the early days in Korea won him the esteem and gratitude of the entire nation as well as the award of the Medal of Honor upon his return from captivity. What possible reasoning could the Bureau of Budget or Department of Defense employ to evaluate this gallant officer's worth in terms of retired pay at $848 per month, as against a 25 per cent greater retired pay of $1014? That, under the new pay bill, will be paid to any run-of-the-mill major general who retires on or after the mystic date of June 1, 1958.

The Voting Record of the City and County Legislators

This is the second of a series of reports on votes on major legislative issues by members of the Missouri Legislature from St. Louis and St. Louis county. Other key votes will be published as they become available.

House

1. Truck weight bill. Bill to increase maximum truck weights on Missouri highways from 64,650 pounds to 68,000 pounds. HB-176 (Committee substitute). Passed 104 to 9, April 8. (Companion bill increasing maximum annual fee for largest trucks from the present $800 to $925 also passed the House.)
2. Increase gasoline tax. Proposed constitutional amendment for two-cent increase to be divided as follows: Counties ½ cent and cities and state highway department ¾ cents each. Backed by oil interests and rural county courts. Highway Department opposes changing Missouri's historic policy against diverting gasoline revenues from the state road system. Passed 120 to 23, May 5.
3. Unemployment Compensation. Raises maximum unemployment compensation benefits from $33 to $38 a week and extends period of payment from 26 weeks to 39 when state joblessness reaches 6 per cent of the "insured" labor force. SB-168. Defeated April 22 by 63-69 (79 votes required) after amendment to exclude the live-bait business from paying benefits. (Bill, amended to meet previous objections, defeated second time. May 12.)
4. Earnings tax. Bill would permit St. Louis to raise its one-half of 1 per cent tax up to a full 1 per cent if the voters consented. SB-27. Passed 106 to 25, April 21.
5. Amend King-Thompson Act. Bill would eliminate anti-strike and state seizure provisions of King-Thompson and substitute an elaborate fact-finding and cooling-off process which might discourage but would not prevent utility strikes. HB-563. Defeated 68 to 63, April 20.

Senate

1. Searches and arrests by police officers. A bill proposed by Circuit Attorney Eagleton which would give St. Louis police greater latitude in searching for concealed weapons. SB-105. Passed 27 to 5, April 9.
2. Increase gasoline tax. Increase state tax on gasoline one-cent a gallon for a period of 16 months beginning August 29, 1959. SB-156. Passed 18-15, May 12. (Amendment requiring referendum on increase defeated May 5.)
3. Traffic violations. Bill setting up a point system for the suspension or revocation of state driver's licenses. SB-143. Passed 26 to 2, May 6.
4. Recorder of Deeds fees. Bill to increase by 50 per cent recording and marriage license fees collected by St. Louis Recorder of Deeds Anthony Denny. SB-26. Passed 26-6, May 6.
5. Horse racing. An Act creating a state racing commission; to regulate, license and tax horse racing and pari-mutuel betting at horse racing meetings, and providing penalties for violations. Killed April 15 by a vote of 26 to 6 on amendment to strike from the bill those sections permitting gambling. SB-201.

COMEDIAN JOE COOK DIES; ILL 17 YEARS

POUGHKEEPSIE, N.Y., May 16 (AP)—Joe Cook, legendary stage comedian, died last night at his home near Poughkeepsie, the victim of a paralysis with which he had been afflicted for 17 years. He was 69 years old.

Mr. Cook, whose merry career was cut short when he was 52 by Parkinson's disease, was famous for his four mythical Hawaiians routine as well as an extraordinary collection of juggling and zany antics.

His stage career began in 1919. In 1942, the nervous disease struck his left hand, and subsequently became progressively worse.

There was little about the theater that he could not do. He was a sharpshooter, tight rope walker, juggler, acrobat, magician, mechanic, comedian, dancer and actor. What he couldn't do, he could make the audience forget.

Trick Photo Paid Off.

It was his imaginative mind that landed him his first professional job in New York. He went to a photographer and had a trick picture made showing him juggling 17 balls simultaneously. (The strings that held the balls suspended were painted out before the photograph was made.)

A producer, thought the picture sensational and gave Cook a chance. But when it came time for the comedian to produce, he started an absurd patter of talk explaining why he couldn't juggles 17 balls at once. he audience liked it and Cook was on his way to success.

Outside the theater Mr. Cook was noted as a host and chef. He entertained notables at his 26-acre estate at Lake Hopatcong, N.J., known as "Sleepless Hollow." There Cook had contrived unbelievably strange gadgets and a weekend at "Sleepless Hollow" was an exciting experience.

His Famous Golf Course.

There was a nine-hole golf course which had all kinds of clownish devices. One hole was one guaranteed for a hole-in-one because the green was shaped like a funnel. When the ball rolled into the hole, it continued rolling out through a pipe and, as it emerged, hit the spigot on a beer barrel and drew the player a free glass of beer.

He displayed in a mock museum the only baseball not autographed by Babe Ruth.

He is survived by his widow, Alice Boulden Cook, a former stage performer and member of a theatrical family; and two sons and two daughters by a previous wife, Mrs. Beatrice Helen Cook, from whom he was divorced in 1931.

FUNERAL SERVICES HELD FOR ELIZABETH GREEN

Funeral services for Miss Elizabeth Green, who taught in primary grades at the Shenandoah School for 42 years, were held today at Oak Grove Cemetery. Miss Green was 70 years old. She retired in January 1955.

Miss Green died Wednesday at the Little Flower Convalescent Home. She moved there a year ago after treatment at Missouri Baptist Hospital. She had suffered a broken hip.

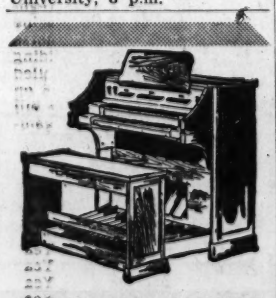

Pope Performs Marriage.

ROME, May 16 (UPI)—Pope John XXXIII, acting as an ordinary priest, today performed marriage rites for one of his nephews. Flaviano Roncalli, son of the Pope's brother Giovanni, was married to Maria Galimberti in a private chapel of the apostolic palace.

Tomorrow's Events

Music Program: Concert by Women's Chorus; Graham Memorial Chapel, Washington University, 8 p.m.

Play Program: Three-one-act plays by Tennessee Williams: "Mooney's Kid Don't Cry," "Something Unspoken" and "The Case of the Crushed Petunias," sponsored by Thyrsus dramatic organization; Brown Hall Auditorium, Washington University, 8 p.m.

News of the Churches in the St. Louis Area

PROTESTANT MEN PLAN UNION SERVICE

By JOHN T. STEWART
Church Editor of the Post-Dispatch.

United Church Men, a new organization of Protestant laymen, will hold its first communion and breakfast tomorrow.

The church men will attend communion at 7 a.m. at Centenary Methodist Church, Sixteenth and Pine streets. After the communion service the men will march to the Sheraton-Jefferson Hotel for breakfast. Some 1000 men are expected to march in the parade, J. Clinton Hawkins, president of U.C.M., said.

The speaker at the breakfast meeting will be Charles C. Parlin, New York lawyer and Methodist layman. He is a vice president of the National Council of Churches. A few years ago Parlin was the only layman in a group of eight men which represented the National Council on a tour of Russia. He served as chief counsel for Bishop G. Bromley Oxman during the McCarthy hearings in Washington.

At the communion service four clergymen will take part: the Rev. Dr. Leon R. Robison, pastor of Second Baptist Church and president of the Metropolitan Church Federation; the Rev. Dr. John J. Hicks, pastor of Union Memorial Methodist Church and president of the Ministerial Alliance; the Rev. Dr. John H. Crowe, pastor of Centenary Church, and the Rev. Dr. O. Walter Wagner, executive director of the church federation.

United Church Men represents 50,000 men from 21 different faith groups in St. Louis. It is affiliated with the church federation and with the United Church Men division of the National Council of Churches.

NEW RECTOR APPOINTED AT ST. PAUL'S CHURCH

The Rev. Francis Washburn will become rector of St. Paul's Episcopal Church, 9229 Lackland road, Overland, tomorrow. He has been rector of St. James Episcopal Church, Macon, Mo., for three years. His brother, the Rev. Charles H. Washburn, is rector of St. Stephen's House, 520 Rutger street.

The Rev. Mr. Washburn is a graduate of Washington University, and of Seabury-Western Theological Seminary, Evanston, Ill. At St. Paul's Church he succeeds the Rev. Edward T. Adkins, who resigned after serving as rector for nearly 12 years to accept a national post with the Episcopal Church at Greenwich, Conn.

Breakfast Speaker

CHARLES C. PARLIN

MISSOURI DIOCESE WILL HOLD 120TH CONVENTION HERE

The Missouri Diocese of the Episcopal Church will hold its 120th annual convention Wednesday and Thursday at Christ Church Cathedral, Thirteenth and Locust streets. Bishop George L. Cadigan, newly elected bishop of the diocese, will preside.

The convention will open with a business session Wednesday at 4:30 p.m. Reports will be heard from the various officers and organizations, boards and trustees of the diocese.

Bishop Cadigan will make his first annual address to the diocese at 8 p.m. At this service he will be installed as bishop, succeeding the Rt. Rev. Arthur C. Lichtenberger, who has been presiding bishop of the Episcopal Church since last Nov. 15, with headquarters at New York City. Bishop Cadigan was elected at a special convention of the diocese last Dec. 4, and was consecrated last April 16. He has been bishop coadjutor until Bishop Lichtenberger's resignation as bishop of the diocese took effect yesterday.

The convention will reassemble at 8 a.m. Thursday for the celebration of Holy Communion. A business session will follow. A major item of business will be the diocesan development fund campaign, which has a goal of $430,000. The fund will be used for the purchase of new sites and the erection of new churches.

PRESBYTERIANS TO HOLD ASSEMBLY

Resolutions dealing with capital punishment, the "right to work" controversy and freedom of association will be among the matters considered by the annual General Assembly of the United Presbyterian Church, U.S.A., when it meets at Indianapolis, Ind., Wednesday through May 27.

The assembly is the supreme governing body of the 3,159,562-member denomination. The United Church was formed last year by the merger of two historic Presbyterian groups—the Presbyterian Church, U. S.A., and the United Presbyterian Church.

Some 975 commissioners (delegates) to the General Assembly will hear reports on how the merger has been followed through on the local level. It was completed in St. Louis last Jan. 1.

Commissioners from the Presbytery of St. Louis are: clergy, the Rev. Dr. Eldon Clay Frye, Trinity Church; the Rev. Lloyd B. Harmon, Florissant Church; the Rev. Richard W. Mitchell, Home Heights Church, and the Rev. Dr. Donald H. Stewart, First Presbyterian Church, Kirkwood; elders; Andrew M. Stevens, Trinity Church; I. T. Thompson, Ferguson Church; C. L. Sadler, Rolla, Mo.; Donald S. Patterson, Giddings Boyle Church, and James H. Randall, Berea Church.

Besides the commissioners, many St. Louis pastors and lay people will attend the Indianapolis meeting.

The Rev. Dr. Theophilus Mills Taylor, moderator, will preach the sermon at the service of Holy Communion, which will open the assembly Wednesday morning. In accordance with custom, a new moderator will be elected that afternoon.

There will be resolutions on race relations—the basic pro-integration stand of the denomination has been spelled out at previous assemblies. Other matters that the assembly may consider include planned parenthood.

SOUTHERN BAPTISTS MEET NEXT WEEK

More than 100 St. Louis Baptists, pastors and lay persons, are expected to attend the annual meeting of the Southern Baptist Convention at Louisville, Ky., Tuesday through Friday.

The Woman's Missionary Union, a convention auxiliary, and the Pastors' Conference will meet at Louisville Monday and Tuesday.

The election of a new president and recommendations for reorganizing some denominational work are expected to be major business items at the convention.

Brooks Hays, former Arkansas Congressman recently nominated as a director of the Tennessee Valley Authority, goes out of office as president of the Southern Baptist Convention with the close of the 1959 session. Hays has served two one-year terms, the limit set by the S. B. C. constitution. Election of officers is scheduled for Wednesday morning.

The convention's committee on world peace will recommend a Southern Baptist observer at United Nations.

The convention chose Louisville for its 1959 meeting place because the Southern Baptist Theological Seminary there is celebrating its hundredth anniversary. The seminary will conduct its graduation exercises on the first night of the convention.

An amendment to the S. B. C. constitution to permit seating of representatives from Southern Baptist churches in Canada will be voted upon. It is expected to meet opposition.

Delegates to the convention are called messengers. No action of the convention during its annual meeting is binding on any local church, since every Baptist church is self-governing.

The Southern Baptist Convention includes 31,498 churches in 43 states, with a total membership of 9,206,758.

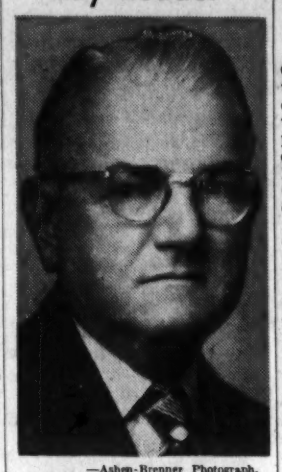

SWEDENBORGIAN CHAPEL TO BE DEDICATED TOMORROW

The new Garden Chapel, Church of the New Jerusalem (Swedenborgian), in Creve Coeur, will be dedicated tomorrow at 2:30 p.m. It is on Deutel lane, a mile west of Lindbergh boulevard.

The dedication service will be conducted by the Rev. David Johnson of Kitchener, Ontario, president of the General Convention of the New Jerusalem, U. S. A. The sermon will be given by the Rev. Dr. O. Walter Wagner, executive director of the Metropolitan Church Federation.

The Rev. David J. Garrett is pastor of Garden Chapel.

Lay Leader

—Ashen-Brenner Photograph.

FRANK J. GUYOL, who has been appointed chairman of the Legion of One Thousand Men—West, a new organization of Catholic men who will make weekly devotions at the Carmelite Convent, 9150 Clayton road. Guyol is a member of Immacolata Church, Richmond Heights.

CORNERSTONE CEREMONY AT ST. THOMAS CHURCH

St. Thomas Romanian Eastern Orthodox Church will dedicate the cornerstone of its new church, Nottingham and Donovan avenues, tomorrow at 3:30 p.m. Bishop Valerian D. Trifa of Jackson, Mich., will officiate. He will be assisted by the Rev. Coriolan G. Isacu, pastor of the church, and guest priests.

St. Thomas Church now is located at 5624 South Compton avenue.

The new church, Byzantine in style, will seat 300 worshipers. An auditorium and several Sunday school rooms will be provided.

St. Thomas Church is a member of the Eastern Orthodox Church Federation of St. Louis.

600,000 Negro Catholics.

There are 600,000 Negro Catholics in the United States, out of a total Negro population of 17,000,000, according to the National Council of Catholic Men.

Mizell Again the Stopper With 4-Hit Victory Over Phillies

3 Homers Aid Cards In 8-2 Win

By Neal Russo

Pitching Coach Howie Pollet, who went out on the limb early for Wilmer Mizell, beamed after watching his prize pupil turn stopper again with his left arm.

"Mizell showed again that he no longer is a thrower like he was when he came up and just threw hard," Pollet said, following Mizell's 8-2 four-hit victory over Robin Roberts and the Phillies last night at Busch Stadium. "He's a serious, determined pitcher now."

Gaining his fourth victory against one defeat, Mizell was especially pleased because the triumph came over a club that has been tougher for him than any team except the Dodgers. Wilmer's 10-strikeout, one-walk performance raised his career record against Philly to 5-and-9.

"Yes, I've had lots of trouble with that club," Mizell said. "I've been in a lot of low-score games with them. It seemed that I was always pitching against (Robin Roberts and (Curt) Simmons."

The Card win, which easily could have been a shutout because both Philadelphia runs were unearned, put Vinegar Bend far ahead of his 1958 timetable. Last season he didn't win No. 4 until June 21. By then he had dropped six decisions on his way to a 10-14 season.

Getting 'Em Over.

Catcher Hal Smith, continuing to do a good job with the bat as well as the mitt, observed that Mizell was getting most of his pitches over the plate, especially the curve when he was behind the hitter.

Although George Crowe, Ken Boyer and Bill White chipped in with home runs, all with nobody on base, it was Mizell's two-run triple that broke the game open.

After Crowe hit to the pavilion roof for his third homer in the first inning off Roberts, the Redbirds continued their heavy hitting in the second inning. White, Joe Cunningham and Hal Smith delivered successive singles for one run.

With one out, Mizell's drive to left-center bounced hard just past Richie Ashburn for a two-run triple. Mizell then came home on Gino Cimoli's single, making it a four-run inning. One single later and Roberts was kayoed.

A walk to Cunningham, a stolen base and Alex Grammas's single made it 6-0 in the third.

With one out in the fifth, Mizell put himself in his only bad hole when he bumped into Boyer as they awaited an easy pop fly which George Anderson hit near the mound.

'My Fault'—Mizell.

"It was my fault, I should have backed away and called the play," Mizell, who drew the error, said later. The ball hit the gloves of both Boyer and Mizell and fell to the ground. With two out, a walk and Ashburn's second single filled the bases. Granny Hamner delivered his second safety, a double, to drive in two mates.

After that, Mizell set down the last 13 Phillies in order. He struck out one man each inning except the third, when he whiffed two. Ed Bouchee and Jim Hegan each struck out three times.

Adding to Vinegar Bend's cushion, Boyer drove a 1-0 pitch from Jim Hearn into the left-field bleachers for his seventh homer in the fifth inning. With Jack Meyer pitching in the seventh, White belted a fast ball onto Grand avenue for his fifth four-bagger.

That made it 73 runs for the Redbirds in their last 11 games as they crept to within one game of the seventh-place Phillies. Manager Eddie Sawyer's men, suffering their fifth straight loss, have totaled just 14 hits and three runs, two of them unearned, in their last four contests.

Unless the Phils' attack perks up, they could be swapping places with the Cardinals by late this afternoon.

Redbird Notes

Gary (1-1) Blaylock is scheduled to start the Ladies' day game against Jim (1-2) Owens, Phillies' rookie, today at 1:30 p.m.

For the 1 o'clock Sunday doubleheader, Cardinal Manager Solly Hemus named Larry Jackson to start one game and said he would choose among Ernie Broglio, Jim Brosnan and rookie Tom Cheney for the other. The Phils plan to start Don Cardwell and Gene Conley.

Hemus disclosed that he had been fined $50 for his third and latest ejection Thursday night by Umpire Shags Crawford. The manager had complained in strong language to Crawford when Lew Burdette was permitted to remain in the game, as was Warren Spahn the night before, although the Braves' pitchers had charged toward the plate umpire to complain over calls on balls and strikes.

"It seems that there's one set of rules for the first-place team and a different set for the last-place club (the Cardinals)," Hemus said. "When Larry Jackson started in toward the plate to complain about a call the other day, he was warned to stop or risk being thrown out."

Richie Ashburn, the 1958 batting champion, came to town with an embarrassing .229 average. His two hits raised the mark to .239.

George Crowe climbed to .393, Joe Cunningham to .328, Bill White to .278 and Hal Smith to .266. Alex Grammas stayed at .316.

Only 6003 paid to watch in topcoat weather.

U.S. Walker Cuppers Choose Their 'Weapons'

American Walker Cup golfers BILLY JOE PATTON (left) and CHARLEY COE select clubs from the bags held by their caddies at the Muirfield, Scotland, course. Then Patton, of Morganton, N.C., and Coe, of Oklahoma City, went out and defeated their British rivals, 9 and 8, as the American team scored a sweep in the foursomes part of the meet.

Walker Cup Won By U.S.

MUIRFIELD, Scotland, May 16. (UPI)—The United States trounced Britain's best amateur golfers today to win the Walker Cup for the 16th time in 17 meetings.

The Yanks' winning margin was 9-3.

The Americans' decisive victory was scored by young Ward Wettlaufer of Buffalo, N.Y., who whipped Michael Lunt, 6 and 5. It was the Yanks' second victory in the concluding singles matches and gave them an unbeatable 6-2 lead. They swept yesterday's opening scotch foursome matches to gain a 4-0 advantage.

Harvie Ward of San Francisco scored the first U.S. victory of the day when he trounced Guy Wolstenholme, 9 and 8. Then Reid Jack of Scotland spoiled the Yanks' shutout bid by turning back Billy Joe Patton of Morganton, W. Va., 5 and 3.

British Amateur champion, Joe Carr, picked up another point for his team when he edged Charlie Coe of Oklahoma City, Okla., 2 and 1, but then Wettlaufer came through with the Yanks' decisive victory.

Bill Hyndman of Abington, Pa., increased the U.S. lead to 7-2 by beating Doug Sewell of England, 4 and 3.

Shoemaker Seeks Second Victory in Triple Crown Series

BALTIMORE, May 16 (AP)—Eleven of the nation's swiftest 3-year-old thoroughbreds, drawn by the magnetism of an historic race and the richest prize ever offered for their division, awaited the start at Pimlico today for the eighty-third running of the Preakness.

The race will be run over a fast track.

Already in the bulging purse was $179,300, to be swollen to $190,300 if all 11 start after their owners cough up another $1000 apiece.

About 35,000 horse lovers and bettors were expected to see Brookmeade Stable's Sword Dancer, the probable favorite, take on 10 classy challengers.

Of these, the advance odds-guessers gave First Landing of Christopher T. Chenery's Meadow Stable the best chance of beating the game little colt who lost by a heart-breaking nose to the now absent Tomy Lee in the Kentucky Derby two weeks ago.

Six others who missed in the grab for the Kentucky roses came north in quest of the Preakness black-eyed susans—Mrs. Halina Braunstein's Royal Orbit (fourth in the Derby), Claiborne Farm's Dunce (seventh), Elkcam Stable's Open View (eighth), Briardole Farm's Rico Tesio (tenth), Cecil B. Fischbach's Festival King (eleventh) and Miss Patrice Jacobs' Our Dad (fifteenth).

Non-Derby starters in this race are Emil Dolce's Manassa Mauler, Robert S. Lytle's Sundown II, and Lester G. Robinson's Marauder.

The 11-horse field meant a net $136,200 to the winner, unless he turned out to be Manassa Mauler, whose profit would be only $126,300 because his owners nominated him late for $10,000 instead of the regular $100. Second place was worth $30,000, third $15,000 and fourth $7500.

Lending a special twist to the nationally televised (4:30-5 p.m. CBS) drama scheduled to unfold at 4:45 p.m. (St. Louis time) was Willie Shoemaker aboard Sword Dancer. It was Willie who steered Tomy Lee to victory in the mile-and-a-quarter Derby.

Now he has returned for a try at winning the Preakness with another horse in the same year, a feat no jockey has ever accomplished.

Preakness Field

Horse.	Jockey.	Odds.
Sword Dancer,	W. Shoemaker	2-1
First Landing,	E. Arcaro	3-1
Royal Orbit,	W. Harmatz	9-2
Manassa Mauler,	R. Broussard	6-1
Dunce,	S. Boulmetis	10-1
Open View,	K. Korte	12-1
Our Dad,	N. Shuk	20-1
Rico Tesio,	C. Rogers	20-1
Sundown 2nd,	L. Adams	20-1
Marauder,	D. Lawless	30-1
Festival King,	W. Carstens	30-1

All carry 126 pounds over 1 3-16 miles.

Gross value with 11 starters: $190,300. Net value to winner (except Manassa Mauler) $136,200; to Manassa Mauler, a supplementary nomination, $126,300; to second $30,000; to third $15,000; to fourth $7500.

Post time: 4:45 p.m. (St. Louis time).

Track and stake record: 1:54 3-5 set by Nashua in 1955.

1958 finish: Tim Tam, Lincoln Road, Gone Fishin'.

Now It's Yankees Who Defeat Selves

NEW YORK, May 16 (UPI) — The Yankees are beating themselves.

Never before in Casey Stengel's regime has that cry been heard but that's the joyous news to American Leaguers Saturday after the Chicago White Sox's 6-0 triumph over the fumbling world champions.

"I heard they've been beating themselves," said White Sox Manager Al Lopez. "But this is the first time I've actually seen it."

Lopez was referring to the fact that the Yankees had made three errors, two by Shortstop Bobby Richardson and one by Catcher Yogi Berra, to make two of the White Sox's runs unearned. The Yankees also committed three errors and allowed four unearned runs in a 7-6 loss to Cleveland Tuesday night.

"This is the sort of thing that can lead to a prolonged slump," said Lopez. "First, you don't hit. Then, your defense sags and you're in a real slump. I'm not saying it's going to happen to the Yankees but the symptoms are there for anybody to see. It's hopeful to all of us."

Billy Pierce pitched a six-hitter and struck out seven batters as the White Sox rolled to their seventh straight victory. It was Pierce's fifth win and marked the third time in 25 games the Yankees were shut out.

The first-place Indians remained a half game ahead of the White Sox with a 4-3 decision over the Boston Red Sox, the Baltimore Orioles pulled out a 2-1 win over the Detroit Tigers and the Kansas City Athletics beat the Washington Senators, 4-2, in other American League games.

The Cincinnati Reds downed the San Francisco Giants, 5-2, and the Cardinals routed the Philadelphia Phillies, 8-2, in the only National League activity.

Bubba Phillips hit a two-run double in the sixth inning and also contributed a single to a two-run eighth-inning rally for the White Sox who dealt Whitey Ford his second loss. Pierce faced only 20 batters in the first six innings, struck out seven and let only one Yankee reach third.

Rocky Colavito's ninth homer and Minnie Minoso's fourth were the big blows as Cleveland's Jim Grant picked up his second win with ninth-inning relief help from rookie Jim Perry.

Bettenhausen's Car Crashes, Driver Not Critically Injured

INDIANAPOLIS, May 16 (AP) — Tony Bettenhausen, twice national big car driving champion, suffered painful but apparently not critical injuries today when his race car crashed into a retaining wall at the Indianapolis Motor Speedway.

Dr. C. B. Bohner, chief of the Speedway Medical staff, reported from the infield hospital that Bettenhausen had a cut nose and was severely shaken up but had no apparent fractured bones. He was conscious.

The 42-year-old Tinley Park, Ill., veteran had survived 27 other wrecks in a racing career extending back before World War I. He was the national big car champion last year and in 1951.

CAHOKIA SCRATCHES

1—Run Hornet, She Will Go, Little Girl, George Dee, High Gino, Timcyon. 2—Crownlene, Mr. Night, Vaz, Goldhurst, Hasty Reward, Kaye's Boy. 3—Manque, Gayam, Kingston Blue, Sir Tim. 4—Sal's Son, Ghent, Miss Curves, Tiganna, Bold Heart, Easter B.

Huskers Beat Sooners.

LINCOLN, Nebr., May 16 (AP)—Nebraska rallied to tie in the eighth and then pushed across the winning run in the ninth with none out to edge Oklahoma, 4 to 3, in a Big Eight Conference baseball game. Jerry Harris opened the ninth with a two base hit and took third when Bob Semin was safe at first on Don Nipp's error. Leroy Zentic then singled to send Harris home for the victory.

Cleveland Repeats as Champion

Coach Carl Nebel's Cleveland Dutchmen repeated as Public High baseball champions with a 3-2 victory over Central yesterday. Cleveland, the 1958 State title winners, finished with a 9-1 mark. The Dutchmen have won 38 and lost only 5 in the two years Nebel has coached the team.

Fifteen-year-old Sophomore Roger Wattler was the winning pitcher, but he needed help from Gene Simmons, who retired the last two Redwings on two infield outs.

Wattler helped his own cause in the fourth as he drove his older brother John home from second. He scored the second run of the inning on a single by Don Radentz.

The Ferguson Comets continued their winning ways as they won their quarterfinal Missouri State tournament game from Jefferson City, 2-1, in eight innings. Ferguson, 13-7 for the season has won seven straight games. Ferguson's late inning rally assures the St. Louis area of at least one semi-finalist in the state tourney.

St. Louis U. High plays at Washington, Mo., at 2 p.m. (C.S.T.) today in another quarterfinal game.

George Alexander struck out 11 Jays in posting his eighth victory in 12 decisions. Dick Stanfield scored the tying run for Ferguson in the seventh inning after reaching base on an error. He stole second and scored on the same play as the Jay catcher threw wild into center. Stanfield singled in Mike Repp with the winning run in the eighth inning.

In other Public High play Joe Minton hurled a no-hit, 14-0, victory for McKinley over O'Fallon. Roosevelt topped Vashon, 8-3; Beaumont downed Southwest, 2-1 and Soldan edged Hadley, 10-9. Roosevelt and McKinley finished in a tie for second place with 8-2 records.

Buchholz and Parker Advance To Semifinals

COLUMBIA, Mo., May 16—Another all-St. Louis tennis final was a possibility today as last year's finalists, champion Cliff Buchholz of Southwest High and Jimmy Parker of Ladue, the runner-up, won two matches yesterday in the opening round of the state tournament.

Buchholz defeated James Burns of St. Joseph C.B.C., 6-0, 6-3, and Jim Barnett of Columbia U. High, 6-1, 6-1, to gain the semi-finals. Parker beat David Murphy of Moberly, 6-1, 6-0, and Bud Brower of St. Joseph Central, 6-1, 6-1.

Results:

SINGLES—FIRST ROUND

Jim Barnett, Columbia University High, won from Claude Bakewell, St. Louis Priory, forfeit; Cliff Buchholz, St. Louis Southwest, defeated James Burns, St. Joseph Christian Brothers, 6-0, 6-3; Willard Stansberry, North Kansas City, defeated Tom Grace, Springfield Parkview, 6-0, 6-2; Dan Singer, University City, defeated Larry McCoy, Campbell, 6-2, 6-4; Ridgeway Whittemore, The Principia, defeated Clyde McBride, Kansas City Pembroke-Country Day, 6-1, 6-0; Del Campbell, Kirkwood, defeated Rudy Farber, Neosho, 6-3, 6-0; James Parker, Ladue, defeated David Murphy, Moberly, 6-1, 610; Bud Brower, St. Joseph Central, defeated Tommy Segraves, Campbell, 6-1, 6-0

SECOND ROUND

Buchholz, defeated Jim Barnett, 6-1, 6-1; Stansberry defeated Singer, 5-7, 6-1, 6-3; Whittemore defeated Campbell, 6-2, 6-2; Parker defeated Brower, 6-1 6-1.

DOUBLES—FIRST ROUND

Julius Frager and John Adams, St. Louis Country Day, defeated Ronnie Johnson and Dale James, Kirkwood, 7-5, 6-3; Phil Kaplan and Bob Polsky, St. Joseph Central, won from Floyd Hodge and Bobby Harmon, Malden, forfeit; Don Mason and Hillbert Schoeninger, Ferguson, defeated Joe Levitch and George Bunting, Kansas City Pembroke-Country Day, 6-3, 4-6, 6-2; Richard Fronabarger and John Davison, Springfield Greenwood, won from David Freund and Watson Wyer, Missouri Military Academy, forfeit; Glenn Robertson and Moine Greene, Hannibal, defeated Jack Wineinger and Steve Styles, St. Joseph Lafayette, 6-1, 6-3; Jerry Johnson and Jerry Regenstein, Webster Groves, defeated J. D. Boyd and Harold Johnson, Neosho, 6-3, 6-0; Dean Goodson and Bill Maas, St. Charles, defeated John Robinson and Snelly Bruton, Kennett, 0-6, 9-7, 7-5; Richard Lungstras and Thomas Goldman, John Burroughs, defeated Tary Murray and Dennis Elmore, Kansas City East, 6-3, 6-4.

SECOND ROUND

St. Louis Country Day defeated St. Joseph Central, 6-2, 6-3; Springfield Greenwood defeated Ferguson, 6-2, 6-3; Webster Groves defeated Hannibal, 6-1, 6-3; John Burroughs defeated St. Charles, 6-1, 6-3.

Bayer's 131 Paces Tourney

HOT SPRINGS, Ark., May 16 (UPI)—George Bayer, who proved that shooting a sizzling 63 here isn't as difficult as it was thought to be, stood five strokes ahead of the field of the 60 surviving golfers today going into the third round of the $22,000 Hot Springs open golf tournament.

Bayer turned in the nine-under-par 63 yesterday to duplicate the feat of Masters titleholder Art Wall Jr., who turned the trick in the opening round Thursday. Wall had 73 in the second round.

At 136 were Wes Ellis Jr., Aldercress, N.J., who had a 69 to go with his opening 67; Gene Littler, Singing Hills, Calif., 67-69; Jim Feree, Paradise, Fla., with identical scores and Bob Goalby, Belleville, Ill., 68-68.

E. St. Louis Athlete Sets Discus Mark

CHAMPAIGN, Ill., May 16 (UPI)—With one record already in the books, Illinois's prep athletes bore down today in the home stretch of the sixty-fifth State High School Association track meet.

In one of two final events Friday, Cloyd Webb, a 6-foot, 5½-inch senior from East St. Louis High, pushed the discus to a record 172 feet, 3 inches.

Webb's toss topped the previous state record of 169 feet, 8 inches, set last year by Bob Sharpenter of Marmion Military Academy of Aurora, and helped East St. Louis to an early lead in the standings. Harry Edwards, also of East St. Louis High, was second with 164 feet, 5 inches.

Phil Winteroth of Wauconda won Friday's only other final by dethroning defending champion Bobby Watts of Jacksonville as broad jump king. Winteroth soared 22 feet, 10¾ inches.

Burroughs Winner

John Burroughs took first place in the ABC League track meet yesterday with a total of 61½ points. In second place was Principia, 47½, followed by Western Military Academy, 25, and the host school, Country Day, with 16.

Gonzales, Hoad Win

SEATTLE, Wash., May 16 (UPI)—Pancho Gonzales defeated Ashley Cooper, 6-1, 6-4, and Lew Hoad downed Mal Anderson, 7-5, 8-6, in singles matches of the world tennis championship touring tournament.

American Women Win.

FRANKFURT, Germany May 16 (AP)—The American women's field hockey team blanked the Frankfurt All-Stars, 5-0. Scorers were Mary Ann Leight (2), Phyliss Stadler (2) and Jenny Anny Romatowski.

Early Lead Wins for Harris 13-8

Harris Teachers College jumped off to an early lead and withstood a ninth inning rally by Concordia Seminary to defeat the Preachers, 13-8, in a non-league college baseball game played on the loser's field yesterday.

Harris scored ten runs in the first three innings on a combination of nine hits, five walks and a Preacher error. The victory avenged a 18-3 loss pinned on Harris last week by the Preachers.

Batteries: McKendree, King and Johnson; Raddle, Sherman and Loncar.

Blasberg Stars as Bears Win

Fred Blasberg pitched three-hit ball to gain his fourth victory of the season as Washington U. defeated Memphis State College, 9-1, in baseball at Liggett Field yesterday.

Catcher Bob Foster played a large part in the Bear attack. He drove in four runs with three hits. He singled in the first and sixth for single runs and doubled two men home in the second. Jim Yates and Dick Nash each contributed two hits to the Bear total.

The victory gave Washington a season record of 12-6 to equal last year's performance.

The teams meet today in the final game of the series at Liggett Field starting at 2 p.m.

Kirkwood Runners Sparkle

By Harold Tuthill
Of the Post-Dispatch Staff

COLUMBIA, Mo., May 16—Kirkwood High may be the surprise team in the finals of the fifty-seventh annual state high school outdoor track and field championships at Memorial Stadium this afternoon.

Emil Wiggin's Pioneers stamped themselves as a contender for the title they won once previously (in 1949) as their representatives made the best showing in three of nine preliminaries yesterday. Versatile Dave Theriot showed the way in both hurdles and teammate Don Wainwright beat a good field in the discus throw with a heave of 155 feet, 2¾ inches.

Theriot, clocked at 14.9 in the highs and 19.7 in the lows, also qualified in the 220, but missed out in the broad jump. He is entered in the high jump today, an event for which no trials were held.

Pressing Theriot for individual honors was Beaumont's Wayne Clinton. In addition to making the best broad jump showing, 22 feet, 2¼ inches, Clinton also qualified in both hurdles.

Ritenour's Clem Buschmann survived the trials in both dashes and also got a place in the low hurdles and broad jump. Rickey Beldner of University City qualified in both the 100- and 220-yard dashes.

Hugh Edwards of McBride was clocked at 10.2 in the 100. Walter Gooley of Sumner led the 440-yard field with a time of 50.2 seconds.

Southwest of Kansas City, champion the past two years, must rely upon a high jumper and pole vaulter today to pull it through, but it was unlikely it could muster up enough points to make it three straight.

The qualifiers:

120-YARD HIGH HURDLES—Dave Theriot, Kirkwood; Rayfus Hodges, Beaumont; John Hodges, Kansas City Southeast; Edgar Lynk, Kansas City Central; Bill Simpson, Springfield Central; Wayne Clinton, Beaumont; Bob Erxleben, Cleveland; Charles Williams, Mexico. Best time 149.9 by Theriot.

100-YARD DASH—Hugh Edwards, McBride; John Glorioso, Kansas City Northeast; Clem Buschmann, Ritenour; Howard Gray, Kansas City Central; Sterling Burgette, Kansas City Central; Rickey Beldner, University City; Jim Holder, Cape Girardeau Central; Bob Cooper, Mexico. Best time :10.2 by Burgette, Edwards.

SHOTPUT—Keith Laquey, Kansas City Center, 55-6; Dale Collier, Cleveland, 53-1; Robert Eisenhauer, Cleveland, 52-7; Joel McKell, McBride, 50-½; Roger Kuhn, Beaumont, 49-1; Carlton Spratt, Sumner, 48-7.

880-YARD RELAY—Kansas City Central, University City, Vashon, Beaumont; Kansas City Southeast, Clayton, Springfield Central, Soldan, Hadley Tech. Best time 1:31.8 by Kansas City Central.

440-YARD DASH — Sterling Burgette, Kansas City Central; Ernie Engnade, North Kansas City; Greg Pelster, Affton; Joe Thompson, Raytown; Walter Gooley, Sumner; James McDonald, St. Joseph Christian Brothers; Ross Coker, Raytown; Oran Groves, Kansas City Central. Best time :50.2 by Gooley.

Best time :22.1 by Burgette.

DISCUS THROW—Don Wainwright, Kirkwood, 155-2¾; John Walsworth, Springfield Central, 153-7¾; Charles Sapienza, St. Louis Christian Brothers, 151-6; Jim Cornelius, Normandy, 150-5¾; Ted Palaska, North Kansas City, 150-0; Don Schilling, Kansas City Rockhurst, 146-½.

Principia Sweeps League Tennis Meet

Principia College players dominated the Prairie College Conference tennis tournament held on the Principia campus at Elsah, Ill., by winning both the singles and doubles championships. Bud Bohn took the individual title, while Mike Loughlin and Tony Phipps paired for the doubles crown.

Prairie College Conference Tennis
Singles
(First Round)

Bud Bohn (P) defeated Heap (I), 6—0, 6—2; Kellogg (C) defeated Syler (G), 7—5, 6—3; Jim Hanlon (P) defeated Varble (I), 6—2, 6—4; Schumm (C) defeated Ellis (G), 6—3, 6—3.

(Semi-Finals)

Bohn defeated Kellogg, 6—3, 6—2; Hanlon defeated Schumm, 4—6, 8—6, 6—2.

(Final)

Bohn defeated Hanlon, 6—4, 6—3.

Doubles
(First Round)

Mike Loughlin and Tony Phipps (P), bye; Joseph and Bedell (G) defeated Heintzen and Rasch (C), 6—1, 6—2; Andy Spencer and Dick Bullwinkle (P) defeated Schedel and Millard (I), 6—0, 6—0; Tubbs and Geach (C) defeated Miller and Snyder (G), 6—1, 6—2.

(Semi-Finals)

Loughlin-Phipps defeated Joseph-Bedell, 6—0, 6—3; Spencer-Bullwinkle defeated Tubbs-Geach, 6—1, 6—3.

(Final)

Loughlin-Phipps defeated Spencer-Bullwinkle, 6—4, 6—3.

NEW FIGHT BREAKS OUT IN TURKISH ASSEMBLY, 2 HURT

ANKARA, May 16 (AP) — Turkey's political troubles erupted in a fist-swinging brawl in the corridors of Parliament yesterday. It was the second such battle this week. Two opposition Republican deputies were injured, one hit on the head with a cane and theother cut by his broken glasses.

The fight started after Republican members refused to attend a session of Parliament. They were protesting against the barring of three of their members from several future meetings because of Monday's scuffle.

A communique by the Republicans told party members not to attend and charged that recent attacks on their leader, former President Ismet Inonu, were engineered by the Democrats.

The two members apparently did not get the communique. They appeared in the corridors and started walking into the assembly room. Suddenly they pulled back and Democrat members started trying to pull them in. Fists flew and other Republicans rushed to aid their colleagues against the majority Democrats.

The scuffle lasted 30 minutes and several windows in the assembly were broken.

PARALYTIC POLIO SO FAR IS DOUBLE RATE OF 1958

WASHINGTON, May 16 (AP) —More than twice as many paralytic polio cases than last year have been reported so far this year. The Public Health Service said yesterday 19 cases had been reported by the states in the week that ended May 9, compared to seven in the corresponding 1958 week.

The polio disease year is considered to start April 1. From then until May 9 a total of 96 paralytic polio cases have been reported, compared with 44 last year. For the calendar year there were 283 cases compared with 147 cases a year ago.

A Health Service spokesman said it is too early to make any forecast of what the trend may be at the heights of the polio season in late summer and early fall. The service is campaigning to get everybody under 40 vaccinated against polio.

ST. LOUIS-BOUND TRAIN KILLS FOUR IN CROSSING COLLISION

OKLAHOMA CITY, May 16 (AP)—A Frisco Railroad passenger train collided with a pickup truck last night, turning a family outing into tragedy.

Killed at a crossing in suburban Jones, Okla., were Thomas W. Burrows, 33 years old of Jones; his sons Tom 10, and Rodney, 4; and his nephew, James Blackburn, 7.

The Highway Patrol said the Frisco Meteor, eastbound to St. Louis, went through the little community at about 60 miles per hour. The crossing is marked but has no flashing warning signal.

Air Force Nominee.

WASHINGTON, May 16 (UPI) — President Eisenhower yesterday nominated Joseph V. Charyk, chief Air Force scientist, to be an assistant secretary of the Air Force. He would succeed Richard C. Horner, who resigned to become associate director of the National Aeronautics and Space Administration.

Missouri Shuts Out Colorado

Special to the Post-Dispatch.

COLUMBIA, Mo., May 16 — The Missouri Tiger baseball team, obviously irked over forfeitures that took it out of the Big Eight championship race, pounded three Colorado hurlers for a 14-0 victory here yesterday.

The Tigers collected 13 hits off two of the three Buff pitchers, with Bob Haas and Ed Mehrer collecting triples; Ralph Hochgrebe a double, and Gary Starr and Haas getting three hits each. The Tigers scored nine runs off Del Ritchhart, starting Buff pitcher, before he was relieved in the fifth, and added the others off Joe Beckner.

Meanwhile Don Miller, pitching for the Tigers, allowed only five hits.

The box score:

MISSOURI U. 14, COLORADO 0

Colorado—Higman 4-0, Wiss 4-0, Kinney 4-1, McIntyre 3-1, Lenderman 4-2, Braunch 3-0, Stancato 4-0, Manown 4-0, Ritchhart 1-1, Beckner 1-0, *Corbetta 1-0, Scadden 0-0. Total at-bats 33, hits 5.

*Flied out for Beckner in eighth.

Missouri — Leis 4-2, Melves 3-2, Starr 5-3, Haas 5-3, Harbin 3-1, Mehrer 1-1, Hochgrebe 5-1, Scowcroft 4-0, Brodbeck 4-0, Miller 3-0. Total at-bats 37, hits 13.

Innings	1	2	3	4	5	6	7	8	9

Delveaux Shines In Illinois Victory

CHAMPAIGN, Ill., May 16 (AP) — Jack Delveaux's sparkling relief pitching enabled Illinois to come from behind and gain an 8-5 Big Ten baseball vcitory over Michigan.

Delveaux took over in the fifth inning from starter Paul Anreson and didn't allow a hit in the last 4⅔ innings. Catcher Jim Cvik paced the Illini with three hits, including a home run.

Minnesota took another step toward its second straight championship by scoring two runs in the ninth inning to defeat Iowa, 3-1. In other games, Michigan State climbed into a third place tie with Indiana by defeating Purdue, 6-3; Wisconsin downed Ohio State, 6-3; and Northwestern clipped Indiana, 4-3.

Poland Upsets Belgium.

WARSAW, May 16 (AP)—Poland upset Belgium, 6-0, in a rugby game played at Katowice.

7 TEEN-AGERS KILLED, CAR WAS STRUCK BY TRAIN

MATTOON, Ill., May 16 (AP) —Seven teen-agers returning from a high school prom were killed early today when the car in which they were riding was struck at an unguarded crossing by an Illinois Central passenger train. Another in the car was seriously injured.

The Coles county coroner's office identified the dead as:

Jerry Hill, 18 years old.
Irene Moon, 16.
Dorothy Thomas, 18.
Judy Keen, 18.
Loraine Pfeiffer, 17.
Lisle Pfeiffer, 18, her brother.
Jerry Hayes, 19.

Hayes is from Woodlawn, Ill., and the other six from Shelbyville, which is 25 miles west of Mattoon and about 100 miles northeast of St. Louis.

Injured was Ivan Moon, 22, brother of Irene.

Hayes and Moon were University of Illinois students.

The I.C. 20-car "Louisiane," bound to New Orleans from Chicago, dragged the wreckage of the car along the tracks nearly a quarter of a mile. A railroad spokesman said the normal train speed is 70 to 75 miles an hour in the Mattoon area.

The automobile was struck at a dirt road crossing two miles north of Mattoon. The tracks run adjacent to United States Highway 45, where police said the students had turned off into the dirt road.

Authorities said the young people had attended a Shelbyville High School prom last night. Four of them — Miss Thomas, Miss Keen, Hill and Pfeiffer—were to be graduated this spring.

Police said the demolished car belonged to Moon's father, C. R. Moon, a farmer near Shelbyville.

The Illinois Central spokesman said the train engineer was William Ward of Champaign and Fred Maneely of Chicago was conductor.

Parents of other children who attended the prom were alarmed by inquiries made as authorities attempted to identify the dead. Some received inquiries about the crash before their children had returned home.

Identification finally was completed after someone thought to look at initials on class rings the victims were wearing.

"We just couldn't tell who they were," said Principal C. R. Segley of the Shelbyville high school. "I didn't know what to do. We began calling parents and asking 'are your children at home?'

"Then we thought of this idea of the initials in the class rings."

Among parents frightened at first word of the tragedy was J. E. Caudill, deputy coroner of Coles county, whose two children had not returned home. "You can believe I was wondering where they were," Caudill said.

EXPLOSION DESTROYS FIRST STAGE OF TITAN MISSILE

DENVER, May 16 (AP)—An explosion destroyed the first stage of a Titan intercontinental ballistic missile yesterday as it nestled in a test stand in the mountain foothills southwest of here.

The Martin Co., which makes the big missile, said the test area had been cleared of personnel. No one was hurt.

The 56-foot first stage and the 37-foot second stage, in a separate test stand nearby, were being used in a static sequence test directed from a concrete blockhouse 600 yards away. Cause of the explosion was not immediately determined.

PRINCE MISSES POLO SHOT: 'CLOT' TO HIS TEAMMATE

WINDSOR, England, May 16 (AP) — Across the sunlit polo field rang out a homely phrase of English abuse: "You great clot." It came from comedian Jimmy Edwards, whose voice is as vibrant as his mustache is broad. It was directed at Jimmy's teammate in a polo match: Prince Philip, husband of Queen Elizabeth.

The Prince, in Jimmy's view, had fluffed a simple shot. The Queen, sitting in the bleachers with the crowd at the Windsor horse show, laughed heartily. The Prince laughed, too.

Edwards, thus ruled guiltless of lese majesty, will be on the Prince's team again Monday.

GENERAL'S UNIFORM VIEW

SAN FRANCISCO, May 16 (AP)—The commander of the Sixth Army disagrees with Adm. Hyman C. Rickover's suggestion that the military services all wear the same uniform.

"The services gain by friendly competition," Gen. Charles D. Palmer told an Armed Forces day luncheon yesterday. Rickover suggested in Washington Thursday that identical uniforms would curtail interservice rivalry.

Harrison Leader in Golf Play

WHITE SULPHUR SPRINGS, W.Va., May 16 (UPI) — E. J. (Dutch) Harrison of St. Louis, who makes a habit of winning this tourney every other year, was out front at the midway mark in the $10,000 Sam Snead Invitational golf tournament today, but Ol' Slamming Sam himself was right behind.

Harrison, winner of the $2300 top prize money here in 1955 and 1957, had a 36-hole score of 136, fashioned on two 68s, while Snead was one stroke back at 137 on rounds of 68 and 69.

The "old men" wrested the lead from a pair of youngsters who couldn't stand prosperity. Harrison is 49 and Snead 46. Bruce Crampton, 23, of Sydney, Australia, and Doug Sanders, 25, of Cedartown, Ga., skidded in the second round after sharing the first-round lead with 67s.

Sanders shot 71 to drop to third place with a 138, while Crampton slipped to 73, putting him in a five-way tie for sixth.

SHOOTS SELF WHEN DRIVING, CAR STRIKES 3 PEDESTRIANS

St. PETERSBURG, Fla., May 16 (UPI)—Mortgage company clerk Vernon Donald Kelly, 23 years old, wounded himself fatally with a pistol shot while driving on a busy downtown street yesterday. His car went out of control, striking three pedestrians, one of whom was killed.

The accident created pandemonium in the heart of the city. Hundreds of persons jammed the area where Percy Lonsdale, 70, was knocked and dragged 73 feet by the runaway car and injured fatally.

A salesman finally reached the car and braked it after it sideswiped a taxicab and crashed through a stop signal into a swarm of shoppers crossing the street.

KENNEDY SAYS HOFFA INSPIRED LABOR BILL

MIAMI BEACH, Fla., May 16 (AP)—Senator John F. Kennedy said yesterday that Teamster President James R. Hoffa is responsible for the Kennedy-Ervin labor bill.

"This bill is intended to keep other Hoffas from rising in the trade union movement," Kennedy told the convention of the International Ladies' Garment Workers Union. "Hoffa is a threat to the country and to organized labor."

Kennedy diverted from his regular text to respond to a speech by Hoffa at Nashville, Tenn., Thursday night in which the teamster leader blasted the labor bill as "legally and morally wrong."

In his 20-minute address, Kennedy said "the hoodlums and racketeers that have appeared before the McLellan Senate Rackets Committee have not been union labor members."

"They have not stood on picket lines," he said. "They have not fought for organized labor. The real face of the labor movement is seen here today."

Kennedy said Congress has three major jobs before it—to extend the minimum wage bill and raise the floor to $1.25 an hour, to revise the unemployment compensation system to take care of higher living costs, and to "make secure the lives of our older citizens."

"We can feel no elation," he said, "while 3,600,000 people are out of work and 7,000,000 families are still trying to get by on less than $2000 a year."

Kennedy said some business men have testified before congressional committees that they cannot pay $1.25 an hour and stay in business.

"No employer," he retorted, "should be in business if he can't pay $1.25 an hour."

Administration Bill Would Give Coverage to 2,500,000.

WASHINGTON, May 16 (UPI)—The Administration has sent to Congress a proposal that would bring about 2,500,000 more workers under the federal wage-hour law. Most of the workers are in chain stores and other big retail firms.

The bill would make no change in the law's $1-an-hour minimum wage. Secretary of Labor James P. Mitchell told Congress two months ago that he opposed an increase in the minimum wage at this time. Mitchell is expected to outline the Administration stand in more detail when he testifies Tuesday before a Senate Labor subcommittee.

The Administration bill spells out a recommendation made by President Eisenhower in his Jan. 19 budget message to extend wage-hour law coverage to "several million" more workers.

The AFL-CIO wants the minimum wage raised to $1.25 an hour and coverage extended to 7,500,000 additional workers.

JAPANESE FISHING VESSELS DELAY U.S. BOMBING PLANS

NAKAMINATO, Japan, May 16 (UPI) — A "blockade" by about 220 Japanese fishing boats yesterday forced the United States Air Force to delay plans for setting up a new bombing range off this port.

The fishing boats surrounded a United States naval vessel that had come to stake out the range in time for aerial maneuvers scheduled to begin May 21.

The fishermen complained that the bombing exercises would scare away the fish and reduce their hauls by 80 per cent. They finally sailed away when assured that plans for setting up the range would be delayed.

ENGINEERS AND SCIENTISTS

ECM
...today's TROJAN HORSE

One of the many absorbing areas of investigation available to gifted engineers at Melpar is the Research and Development aspect of ECM systems.

The mature engineer's capacity to reach deeply into provocative lines of inquiry is particularly valued and encouraged at Melpar. Your own intellectual dimensions govern remuneration and assignments.

Some of the opportunities now available at Melpar are in the following areas:

SERVO MECHANISMS ENGINEERS

Responsible for the design and development of transistorized instrument servo mechanisms and the technical guidance of engineering personnel. Experience in servo mechanisms design and an extensive knowledge of both theory and components is essential.

SENIOR ANTENNA ENGINEERS

BSEE or BS Physics plus experience in design of broadband airborne antennas or microwave components. A sound background in theory required.

SENIOR SYSTEM ENGINEERS

Adapt digital and analog techniques to data processing problems. Experience in magnetic tapes, magnetic drum and input-output especially desired.

PHYSICISTS

Advanced study program requires physicists for theoretical research involving problems in acoustics, aerodynamics and propulsion systems.

TRANSISTOR APPLICATION ENGINEERS

Advanced development program requires men experienced in transistorization of RF, receiver or pulse handling components.

TEST ENGINEERS

Diversified assignments preparing test procedures and testing complete electronic systems.

Positions are also available for Engineers at other than Senior Engineering levels.

Your Thunderbird Galaxie Headquarters
SUTTON FORD
7717 FORSYTH CLAYTON

Want a *big*, roomy, luxurious car... but feel you can't afford to own or operate it? *Then you should know that—*

Dodge CORONET FOR... '59

is priced* at $3.00 less than Chevrolet IMPALA

(...and delivers more miles per gallon, too!)

*Price difference shown is based on Manufacturer's Suggested Retail Prices as posted on display cars by government order and are for four-door sedans. Transportation, state and local taxes, and optional equipment (including wheel covers and white sidewall tires as illustrated) are extra. Prices can change without notice. Prices and competitive data are based on the best information available.

COMPARE!

PRICE: The Price* of a Dodge Coronet V-8, 4-door sedan is $3.00 less than the price* of a Chevrolet Impala V-8, 4-door sedan.

FEATURES: On Dodge, as standard equipment (at no extra cost): Torsion-Aire Ride, Total Contact Brakes, electric windshield wipers. Of these features, Chevrolet can offer you only electric windshield wipers.

ECONOMY: Official results of the Mobilgas Economy Run are: A Dodge Coronet (fully equipped with automatic transmission, power steering and power brakes)...delivered 21.74 miles per gallon; Chevrolet Impala delivered...19.26 miles per gallon. (In fact, Dodge gave better gas mileage than *any other car from the low-priced V-8 class on up!*)

BUY NOW

Get tremendous trade-in allowance

PLUS . . . immediate delivery on the '59 Dodge of your choice . . . and there's a Dodge to fit your likes and needs, whatever they are! Your nearby Dodge dealer has a complete model selection for you to choose from . . . and in dozens of color combinations too! Also a good selection of used cars at bargain prices.

DODGE GIVES YOU SO MUCH MORE FOR YOUR MONEY

FEATURE	Wheel Base	Over-all Length	Door Entrance Width (front)	Seat Height (front)	Trunk Size (usable interior width)

Warming Trend Under Way

—Associated Press Wirephoto. Low temperatures and areas of precipitation expected tonight.

A warming trend in the St. Louis area will continue through Monday, with maximum temperatures tomorrow at least 15 degrees higher than yesterday, the Weather Bureau said.

The warming trend began in western Missouri early today and moved eastward as winds gradually shifted to the south and increased in speed during the day.

It was fair in most of Illinois and Missouri today as well as over the major part of the nation. A few scattered showers were reported in the 24 hours ended this morning west of the Continental Divide, in the extreme northeastern part of the country, Great Lakes region, part of Texas and the Plains states and Pacific northwest.

Rain was forecast for tomorrow for the central and southern Plains states, northern and central Rockies and northwest coast area, as indicated by the above map.

Cool weather is expected in most of the Atlantic coastal states except for Georgia and Florida. It also will be cool in the northwest, but a warming trend was predicted in the upper Mississipi valley.

Minimum temperatures in Missouri early today ranged from 34 at St. Joseph to 55 at Joplin. Lowest in the nation was 22 at Winnemucca, Nev. Yesterday's high was 98 at Yuma, Airz.

BIDS & PROPOSALS WTD. 286

NOTICE TO CONTRACTORS STATE CONSTRUCTION WORK
Sealed proposals for the construction of an earthfill dam, access road and parking lot consisting of 68,000 cubic yards of earthfill, drilling a deep well, installation of a power pump and all appurtenances in Big Oak Tree State Park, on Route A, twelve miles southeast of East Prairie in Mississippi County, Missouri, for the Missouri Conservation Commission, Jefferson City, Missouri, will be received at the office of the Missouri Conservation Commission, Highway 50 West, Jefferson City, Missouri, until 1:30 p.m., C.S.T., Tuesday, May 26, 1959, and at that time will be publicly opened and read.
Plans, Specifications and Proposal Forms, prepared by the Missouri Conservation Commission, Development Section, may be inspected at their office at Highway 50 West in Jefferson City, Missouri, or may be purchased for a sum of $5.00, which sum will not be returned by payee.
By virtue of Statutory authority a preference will be given to Missouri labor, and to products of mines, forests and quarries of the State of Missouri, when they are found in marketable quantities in the State, and all such materials shall be of the best quality and suitable character and can be obtained at reasonable market prices, all as provided for in Section 8.280, Missouri Revised Statutes 1949.
Not less than the prevailing hourly rate of wages for work of a similar character in the locality in which the work is performed, all, as more fully set out in the detailed plans and specifications, shall be paid to all workmen employed on said project.
The right is reserved by the State to reject any or all bids and waive any informality in bids received.
MISSOURI CONSERVATION COMMISSION WILLIAM E. TOWELL, DIRECTOR.

THE BOARD OF EDUCATION OF THE CITY OF ST. LOUIS May 11, 1959
Sealed proposals will be received at the office of the Commissioner of School Buildings, The Board of Education Building, 911 Locust Street, 7th Floor, at 2:00 p.m. (DST) May 21, 1959:

Letting No.	Description	Deposit with Bid
7081	Rewiring and Lighting Fixture Installation	$2,750.00

Attention to bidders is directed to the fact that the bidder to whom the contract is awarded and all subcontractors under Letting No. 7081 will be required to pay the workmen employed in the execution of this contract not less than the prevailing hourly rate of wages as determined by the Missouri Department of Labor and Industrial Relations in Special Wage Determination Order No. 1328.
Bids will be publicly opened and read at the above time. Certified or cashier's check to be enclosed with the bid; no bid bonds, firm or personal checks acceptable. There will be no charge for the specifications—they may be obtained at the office of the Commissioner of School Buildings where all information and requirements for bidding may be obtained. The Acting Commissioner of School Buildings reserves the right to reject any or all bids.
HAROLD E. DESSAU Acting Commissioner of School Buildings.

BIDS & PROPOSALS WTD. 286

NOTICE TO CONTRACTORS Sealed bids for BAKERY EQUIPMENT FOR NEW BAKERY BUILDING, STATE HOSPITAL No. 2, ST. JOSEPH, MISSOURI, will be received at the office of the Chief of Planning and Construction, State of Missouri, Room 100, State Capitol Building, Jefferson City, Missouri, until 3:00 P.M., C.S.T., Tuesday, May 26, 1959, and then publicly opened and read aloud. A certified check, bank draft or a bid bond executed by the bidder and an approved Surety Company in the amount of Five (5%) percent of the bid shall be submitted with each Proposal.
Plans and specifications can be secured from Eckel and Aldrich, Corby Building, St. Joseph, Missouri, upon deposit of $25.00 per set, in the form of a certified or cashier's check payable to the Planning and Construction Section, State of Missouri.
Bidders must agree to comply with Statutory regulations as referred to in the specifications.
John D. Paulus, Jr. Chief of Planning & Construction

NOTICE TO CONTRACTORS Sealed bids for PARKING AREA FOR ST. LOUIS STATE HOSPITAL, 5400 ARSENAL STREET, ST. LOUIS, MISSOURI, will be received at the office of the Chief of Planning and Construction, State of Missouri, Room 100, State Capitol Building, Jefferson City, Missouri, until 2:00 p.m., C.S.T., Thursday, May 21, 1959, and then publicly opened and read aloud. A certified check, bank draft or a bid bond executed by the bidder and an approved Surety Company in the amount of five (5%) per cent of the bid shall be submitted with each Proposal.
Plans and specifications can be secured from Marcell Boulicault, Inc., 411 North Seventh Street, St. Louis, Missouri, upon deposit of $25.00 per set, in the form of a certified or cashier's check payable to the Planning and Construction Section, State of Missouri.
Bidders must agree to comply with Statutory regulations as referred to in the specifications.
JOHN D. PAULUS, JR. Chief of Planning & Construction.

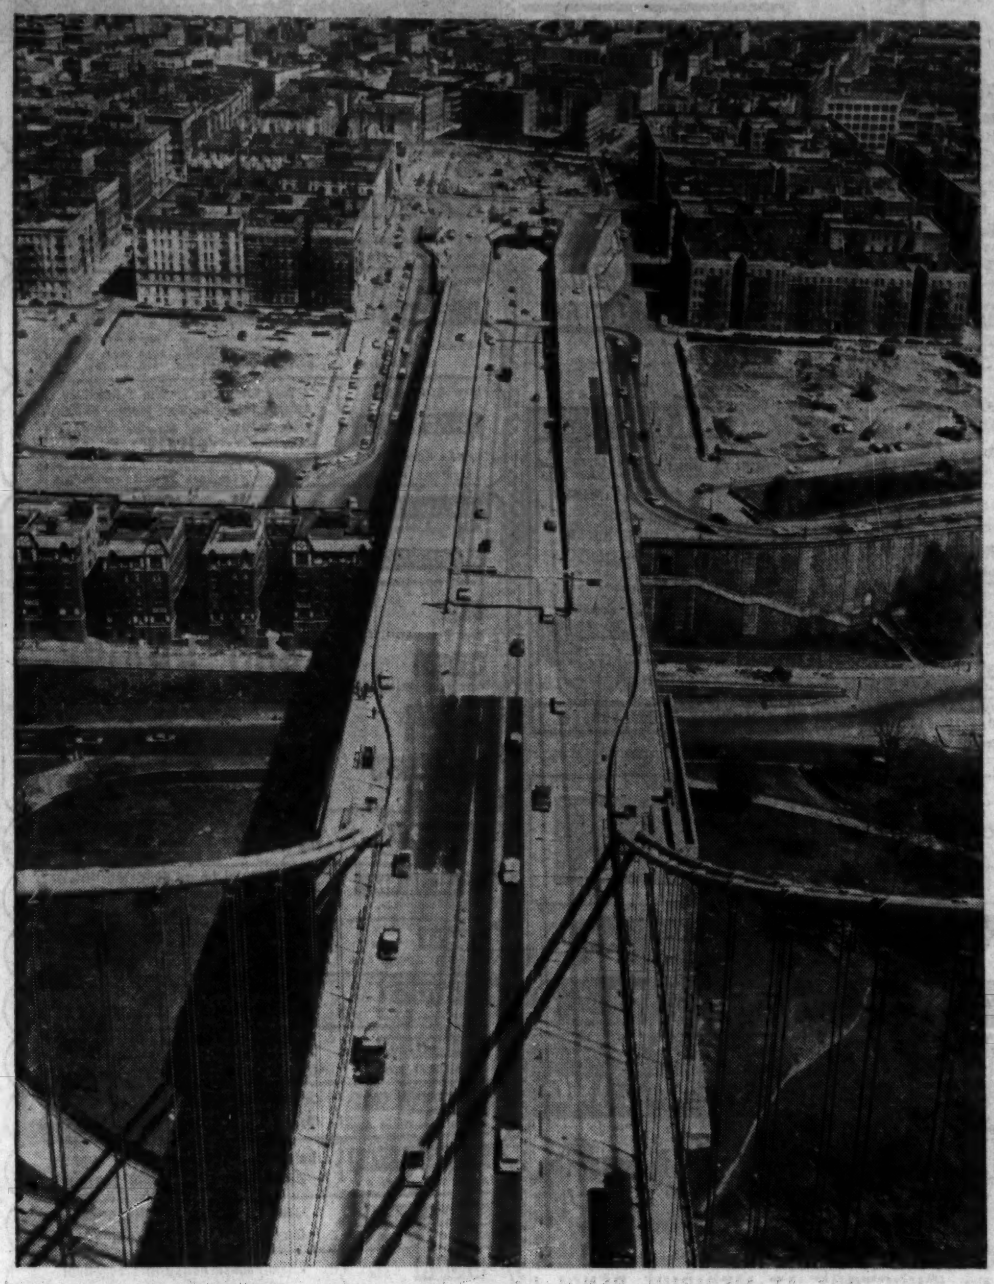

NOTICE TO BIDDERS Bids will be received by Board of Education of De Soto Public School District No. 73, of Jefferson County, Mo., until 8:00 p.m. (D.S.T.), June 9, 1959, for the erection and completion of a New Junior High School. Plans and complete information may be procured from Pearce and Pearce, Inc., Architects and Engineers, 721 Olive st., St Louis, Mo. Not less than the prevailing hourly rate of wages as found by the Department of Labor and Industrial Relations of the State of Missouri, and as set forth in the specifications shall be paid to all workmen performing work on this project. The Owner reserves the right to reject any or all bids and to waive any technicalities therein.
MRS. JUNE BAKER, Secretary Board of Education

SEALED BIDS WANTED Sealed proposals will be received at the Office of the Board of Public Service, Room 208 City Hall, until 12 o'clock, noon, D.S.T., June 9, 1959, for constructing a portion of the Compton Avenue Relief Sewer between the Mill Creek Sewer and the north line of Olive Street, St. Louis, Mo. Obtain bid blanks and documents at office of President, Room 325, City Hall, upon deposit of $200.00. All labor shall be subject to provisions of Sections 290.210 to 290.310, incl., R.S. Mo., 1957.

Block Busting Approach

Yawning vacant spaces highlight crowded Washington Heights residential area of New York City's upper Manhattan island in this view looking east from atop east tower of the George Washington bridge. Entire city blocks are being razed for the construction of a lower traffic level for the famous suspension bridge spanning the Hudson river from New York to New Jersey. In foreground (below wall) is Riverside drive.

—UPI Photo.

At Scene of Fatal Fire

St. Louis County Fire Marshal John Moody (hand on shovel) and Riverview Gardens Fire Chief Joseph Gottwald (right) examining charred debris at 447 Scenic drive, Riverview Gardens, after fire swept through the five-room frame home early today. Robert Bennett, his wife and three children perished in the fire.

—By a Post-Dispatch Photographer.

Street Tragedy

Bodies of pedestrians hit by automobile whose driver, 22-year-old Vernon Kelly, died of a self-inflicted head wound, lying on downtown St. Petersburg (Fla.) street yesterday. In foreground, Andrew Orsini kneels over Percy Lonsdale, 70 years old, who died after being dragged for 31 feet by the out-of-control automobile. One of the other two pedestrians hit lies in background.

—UPI Telephoto.

Who's Whose Boss?

Four-year-old Laura Strong of Minneapolis and Brogan see eye to eye, although the giant Irish wolfhound has to squat on his haunches to meet his mistress on the same level. The dog was entered in the annual pet show at Northrop Collegiate School and although he did not win a prize no one was unaware of his presence.

—Associated Press Wirephoto.

Clean City

Dutch-costumed residents of Holland, Mich., scrubbing main street for parade which opened the thirtieth annual Tulip Time Festival. The event salutes Holland's old world Dutch background, many of its residents being of Dutch descent.

AURORA MAYOR REBUFFED AGAIN ON POLICE CHIEF

AURORA, Ill., May 16 (AP)—Mayor Paul Egan's new police chief failed to turn up yesterday to be sworn in. Egan canceled the appointment.

Egan, who has been feuding for months with the present chief, Donald F. Curran, and members of the Aurora City Council, appointed the Rev. Robert Wesby, a Negro and Baptist minister, to the post supplanting Curran.

After waiting for several hours for the Rev. Mr. Wesby to appear for the swearing-in ceremony, Egan told reporters:

"The fellow swore he would go through with it. But someone called him off. All I can say is that we ought to change the name of Aurora to Denmark. There's something rotten here and it's not in this corner."

Egan previously named several others, including a woman press agent for a Chicago saloon, to replace Curran, who has refused to recognize the efforts.

BULL WAS EATING PINS AND NEEDLES, AUTOPSY SHOWS

EAST LANSING, Mich., May 16 (AP)—Cattle experts, called to perform an autopsy on a bull at Michigan State University, found these items in its stomach yesterday:

Half an innertube, two plastic bags, a rubber doll, nine pennies, a toy wrist watch, a fishing spinner, five clothes pins, six can lids, a four-inch stack of bobby pins, 24 bottlecaps, two non-matching earrings, two hypodermic needles, some small arms cartridge casings, two men's rubber heels, five coffee can tops, a key chain, a broken pop bottle, a collection of safety pins, a gold watch band, 16 nails and a set of false teeth.

Death was listed as due to acute indigestion.

CANADIAN SPACE RESEARCH COMMITTEE BEING SET UP

KINGSTON, Ont., May 15 (AP)—Prime Minister Diefenbaker has announced establishment of a Canadian permanent committee on space research.

He said in a convocation address at Royal Military College here yesterday that E. W. R. Steacie, president of the National Research Council, and A. H. Zimmerman, chairman of the Defense Research Board, are setting up the group. Other government agencies and interested universities will be represented.

Diefenbaker, who received the college's first honorary degree said one of the purposes of the committee will be to insure that university research teams as well as military agencies get a chance to work in the field.

MATINEE & LATE SHOW
BETTY de SALLE
stars in the great human drama of nudism and its fight to be understood. This is the greatest motion picture made on the controversial practice. The entire film was photographed in the country's largest camp in California—The Elysian Fields. This film covers the subject thoroughly from the ancient barbarians' belief up to modern-day practice. The majority of the cast are non-professional actors and most of the scenes are completely unrehearsed. The motion picture clearly demonstrates the habits, practices, religions, and fears, and concentrates on their philosophy which is made unique in its own reasoning. For a once-in-a-lifetime experience and a realistic education, don't miss this outstanding film.
'ELYSIA"
At: 1:30, 4:00, 6:30, 9:00, 11:30—Plus
RICARDO MONTALBAN
stars in the Mexican Multiple Prize Winner that was voted the best Mexican film of the year, the story of two people hopelessly trapped in the never-ending Aztec jungle. One of the screen's most beautiful love stories. Montalban's performance of a man indecisively embedded in his emotions to one which shall never be forgotten. (Adults only! In order to preserve the secret of the surprise ending, no one will be seated during the last 10 minutes.)

Origin of Planets

By Ramon Coffman

A THOUGHTFUL letter has come from Bobby Burtnett, who says:

"A young American wrote an essay on a subject in science and sent it to Thomas Henry Huxley, the British scientist. Mr. Huxley did not like the essay, and returned it with a letter of advice on what to study and for how long.

"Maybe I have not studied enough, but here is the way I think the planets had their origin:

"There was a great explosion on the sun. Very large masses of material were thrown to great distances. They took orbit and became planets."

That is the viewpoint of many scientists, Bobby. They have found that most of the elements known on earth also exist in the sun. One element, helium, was known to exist near the sun's surface before scientists discovered it on the earth. Helium gas is used, at present, to fill the bags of some balloons.

The sun is so hot that the elements there (iron, copper, silver, platinum and so on) are in a gaseous state. The heat keeps metals from existing in the solid forms common on earth.

All the planets move in the same general plane. If they had been thrown out from explosions in various sections of the sun, their orbits would be in different planes.

According to a common theory among astronomers, a large star passed within range of the sun and caused commotion. If this theory is correct, masses of material were drawn out from the sun's "torrid zone" and became the building substance of the planets.

No one, to this date, has identified the star which (if the theory is correct) swept within a few million miles of the sun. The path of the hypothetical star would be interesting to investigate, but there are so many stars that a conclusion would be hard to reach.

For science section of your scrapbook.

Today's Pattern

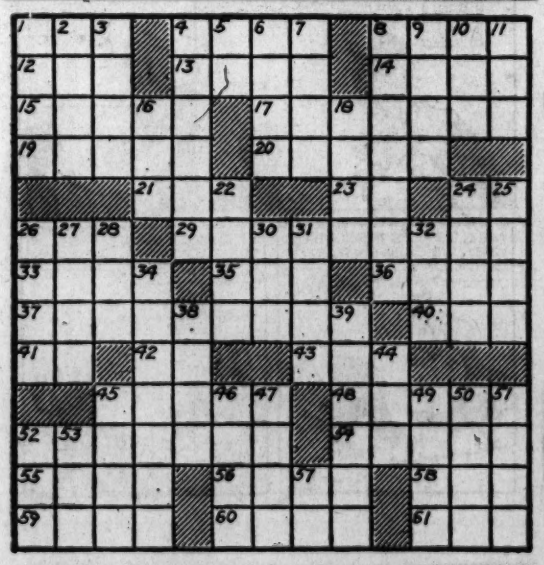

4863 SIZES 2–8

Shirt shorts, pedal-pushers mix and match all summer. Mix 'n' match fabrics, too—gay prints, candy-cane stripes and solids.

Printed Pattern 4863: Children' Sizes 2, 4, 6 and 8. Size 6 shirt 1⅛ yards 35-inch; shorts, 1 yard.

Send 50 cents in coins for a pattern—add 10 cents for each pattern if you wish first-class mailing. Send to Anne Adams, St. Louis Post-Dispatch, care of Pattern Department, P.O. Box 121, Old Chelsea Station, New York, 11, N. Y. Print your name, address with zone; size and style number.
